Text of the side panel: Natural Factors Panax ginseng capsules contain a standardized extract of Panax Ginseng C.A. Meyer, considered the premier variety for health promoting benefits. Each capsule has a naturally balanced ratio of the key Ginsenosides, Rg1 and Rb1, standardized to a minimum of 7%. Many clinical studies indicate that Ginsenosides are responsible for Ginseng's worldwide reputation as a superior health, longevity and well being herb. Perhaps most significant is clinical research suggesting its value as a natural adaptogen; promoting resistance to environmental stress.\*

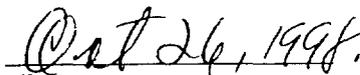

Text on PDP: Promotes Adaptogenic Function and Resistance to Stress\*

Name of dietary ingredient that is the subject of statement: Panax Ginseng

Name of the dietary supplement: Natural Factors

I represent the information presented to be accurate and in compliance with supplement label regulations.

  
John Morley, Secretary
