U.S. Food and Drug Administration:

I am writing this letter urging you to grant Farm Sanctuary's petition to prohibit the slaughter of downed animals. I am outraged by the way downed animals are being treated. Contrary to some human beliefs these animals do have feelings and experience suffering. In addition to causing intolerable animal suffering, the slaughter and marketing of downed animals poses a risk to human health. As a concerned citizen I am requesting that you please take this matter seriously.

Docket Number 98P-0151/CP1

Thank you for your time,
Melissa Baker
