To Whom It May Concern:

I am a tax paying citizen and I would like to speak out for farm animals.

I am appalled with what is going on with the downed animal trade.

- animals are dragged to slaughter with chains or pushed with tractors and forklifts- inhumane methods that cause injuries ranging from bruises and abrasions to broken bones and torn ligaments.

In addition to causing intolerable animal suffering, the slaughter and marketing Of downed animals poses a risk to human health. These are only a few allegations from Farm Sanctuary. Please I am a supporter of animal rights and I want my vote to be counted. Please STOP DOWNED ANIMAL TRADE. Thank you.

Sincerely,

Gina Pajor
