Dear Dr. Kahl:

McLind Corporation wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement, which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Complete Digestant. The dietary ingredients that are the subject of the statement are pancreatin, betaine hydrochloride, papain, bromelain, pepsin, ox bile extract. The statement reads as follows.

"This easy-to-swallow capsule formula provides a comprehensive and potent blend of the most beneficial enzymes available. Each capsule will assist your body's own ability to breakdown and digest carbohydrate, protein and fat."

This statement is accompanied by the required disclaimer, which is prominently displayed in bold-faced type.

This information contained in this notice is complete and accurate and the above statement is based on data, which renders these statements substantiated, truthful and non-misleading.

Sincerely,  
McLind Corporation
