NOTIFICATION OF STATEMENTS OF NUTRITIONAL SUPPORT

This Notification is filed pursuant to § 403(r)(6) of the Federal Food Drug and Cosmetic Act (FDC Act), 21 U.S.C. § 343 (r)(6).

Name of dietary supplement: **Bioenergy Nutrients Liv-A-New@**

Statement[s] of
nutritional support:

Revitalize and protect your liver.

Rejuvenate your health.

Support all the jobs your liver **performs**, including, detoxification.

Trimethylglycine **helps neutralize** toxins. Essential for the production of glutathione. Protective nutrient key to your liver's dynamic functions.

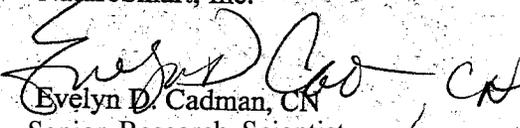

Milk thistle helps protect the liver from the effects of dietary cholesterol and **fats**, and many common environmental toxins and **pollutants**.

N-Acetylcysteine and Alpha lipoic acid support glutathione production in the liver, protecting you against LDL cholesterol oxidation and free radical attack, while boosting your **overall** health.

Dandelion – as a purifying agent and liver tonic, this gentle and versatile herb supports the liver's natural detoxification functions.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that the **statement[s]** is [are] truthful and not misleading. Two copies of this notification are enclosed with & s **original**.
