- RestEZ--a proprietary blend of natural, relaxing extracts--helps make the stresses of the day recede, and consequently, promotes a deeper rest. Scientists have discovered that certain herbs can help you relax and relieve stress--to help you sleep deeply. RestEZ's proprietary formula combines four calming, relaxing extracts--valerian, kava, passion flower, and hops--in research recommended amounts.
- Four ingredients to promote restful sleep.
- Study after study has proven [valerian's] effectiveness in helping attain restful sleep.
- [S]tudies show kava to be effective in promoting a relaxed feeling.
- Pillows stuffed with hops have been used for centuries to promote sleep.
- The nonhabit forming ingredients are known to promote a good night's sleep--without unwanted side effects.
- Let RestEZ help you get the deep sleep you need at night so you can tackle all that life hands you during the day. Take RestEZ tonight . . . for a better day tomorrow.
- Unlike one-time use products, RestEZ is designed to help you get back to a normal sleep cycle. Because everyone has unique sleep patterns, the natural ingredients in RestEZ will likely effect your sleep over time--typically two to three weeks.

These statements contain the statutory disclaimer. The name of the dietary supplement is RestEZ™, and the relevant dietary ingredients are valerian, kava kava, hops, spearmint and passion flower.

I certify that the foregoing is complete and accurate, and that Melaleuca, Inc., has substantiation that the statements are truthful and not misleading.

Very truly yours,

Melaleuca, Inc.
