Subject: Fwd: Bar code meeting in June

I represent the Association of Hemophilia Clinic Directors of Canada (past president), and the Canadian Hemophilia Society (Chair of the Medical Scientific Advisory Committee). We held a meeting with Industry, Health Canada, and Elizabeth Callighan from FDA in April, 2002 to discuss barcoding of blood fractionation products, particularly blood clotting products.

Would you please add me to your email list about barcode issues, meetings etc. Please send me information about the July 26 meeting. Thanks.

Bruce Ritchie

> Hi:

> The FDA public meeting will be held on July 26 at Natcher auditorium in
> Bethesda, MD. We expect a Federal Register notice to publish late this
> week
> or early next that articulates questions and areas where FDA is seeking
> specific feedback on barcode requirements. Instructions for potential
> speakers and others wishing to attend the meeting as observers will
> also be
> detailed in the FR. Thank you for expressing interest in the barcoding
> issue.
