Text of side Panel: **Natural Factors Urinary Flow Formula is a synergistic blend of standardized herbs historically used to support urinary health and promote urine flow. This unique formula gently supports the body's cleansing system by helping the kidneys and bladder to flush away waste. We combine a standardized extract of Uva Ursi, helpful to the kidneys, with potassium-rich Dandelion leaf extract, an herb that gently promotes urine flow while it replaces lost electrolytes. Juniper Berry is valued for kidney and bladder support. Nutrient-dense Parsley root powder prevents salt from reabsorption and both Parsley and Cranberry juice extract help the body to flush away waste.\***
