Attn: Mark B. McClellan, M.D., Ph.D.
Commissioner of Food and Drugs

Dear Mr. McClellan:

Watson Label Products submits for US Food and Drug Administration consideration a proprietary, new bar code label security technology for the agency's Anti-Counterfeit initiative. Watson Label Products has a patent pending process wherein data collection is combined with product traceability, authentication and counterfeiting security in a single label.

Please let me know if you have any questions. I am available to make a presentation at your convenience.

Sincerely,
