RE: Notification of Nutritional Support Statements

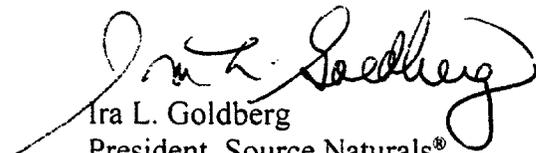

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Mother's Choice™ dietary supplement. Source Naturals® is the manufacturer of Mother's Choice™.

Statements being made in the labeling of Mother's Choice™:

- (1) Mother's Choice™ is specifically formulated to help meet the nutritional needs of women who are pregnant or breastfeeding.
- (2) Research shows that iron supplementation is beneficial during the 2nd and 3rd trimester of pregnancy when fetal development significantly increases.
- (3) Additional iron during the 1st trimester is not necessary unless specifically required by your health care professional.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
