Re: **Notification Letter for Atkins Dieter's Advantage Dietary Supplement**

To Whom It May Concern:

This letter notifies the Food and Drug Administration that within the past 30 days our company has begun to market Atkins Dieter's Advantage Dietary Supplement, with the following structure/function claim included on the label and in labeling for the product:

Claims:

- "Contains chromium to help support blood sugar function".
- "Contains L-carnitine, which helps to release energy from fat".
- "Contains HCA (hydroxycitric acid), which plays a role in appetite suppression".
- "Helps maintain normal blood sugar levels" is supported via chromium and iodine supplementation.
- "Controls appetite while maintaining energy levels" and "Maximum appetite control" are supported by Garcinia cambogia extract.

The brand name of the product is Atkins Dieter's Advantage Dietary Supplement.

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement is truthful and not misleading.

Very truly yours,

Atkins Nutritionals, Inc.
