RE: Docket number 2004P-0130/CP 1

To Whom It May Concern:

We wish to withdraw our petition requesting the Food and Drug Administration permit our filing an ANADA for an amoxicillin tablet, for dogs and cats, that contains twice the concentration of amoxicillin as the pioneer, but is given once daily instead of twice. This petition was assigned docket number 2004P-0130/CP 1 on March 16, 2004.

Please withdraw this petition from any further consideration. Thank you.

Sincerely,

Jenaay M. Brown DVM
Director, Regulatory Affairs
