**Re: Nutrient Content Claims Petition
Total Carbohydrate Content of Foods**

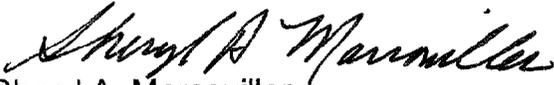

Dear Ms. Anderson:

Last December, Kraft Foods North America, Inc. submitted a Petition under section 403 (r)(4) of the Federal Food, Drug and Cosmetic Act (FFDCA) seeking a regulation governing nutrient content claims for the "total carbohydrate" content of foods. The corporate structure of the company recently changed. Kraft Foods North America is now a division of Kraft Foods Global, Inc. Please update the petition file to reflect the current corporate name.

Additionally, confirming our recent telephone discussion, Kraft agrees to extend the time for FDA to consider our petition until June 25, 2004.

Thank you for your attention and consideration.

Yours very truly,

Sheryl A. Marcouiller
