SUNVITAMINES®

(dietary supplement)

Beyond Sunscreens

Sun Vitamins is a sun protection supplement and a powerful oral systemic antioxidant. Each capsule is a proprietary extract of Polypodium leucotomos, a tropical fern of the polypodiaceae family, developed and marketed in Europe since 1982.

www.sunvitamins.com

60 capsules

SUN VITAMINES has been proven in human and animal studies: an inhibitor of UVB, a protector of skin-damaging UVA sun wavelengths, and a powerful oral systemic antioxidant used in the preservation of healthy skin tissue.

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

For optimal results: take 2 capsules in the morning, USE WITH A UVB SPF-30 TOPICAL SUNSCREEN.

Keep in a dry place. Do not use during pregnancy.
KEEP OUT OF REACH OF CHILDREN.

Expiration date:
