**Section 403(r)(6) Notification**

Dear Sir or Madam:

In accordance with the requirement of section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, **Leiner Health Products** notifies the FDA that it has begun using the following phrase and statement:

**Supports Antioxidant Activity**

**The health of the circulatory system depends on several factors, such as diet, exercise and stress levels. Nutrients rich in antioxidants are gaining recognition for their role in the well-being of the circulatory system. Proanthocyanidin is a phyto-nutrient with highly effective antioxidant properties that help to maintain cell membrane integrity. Grape Seed Extract is one of the richest sources of proanthocyanidins, which may limit damage by free radicals and help to keep artery walls flexible, an important part of circulatory system well-being.**

on the following product:

**YourLife® Grape Seed Extract**

Very truly yours,

**Leiner Health Products**
