Hang Card (back) (on certain counts only)

What is Lycopene?

Lycopene is a potent antioxidant that supports healthy prostate and heart function. * Typically found in certain fruits and vegetables, Lycopene has now been added to [BRAND] Multivitamin !

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

We certify that the information contained in this notice is complete and accurate, and we have substantiation that the above structure/function statements are truthful and not misleading.

Sincerely,

William J. Neumann
Vice President
Quality and Regulatory Affairs

A thru Z (Spectrovite; Multivite)
