August 14, 2003

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Red Clover supplements under the PhysioLogics brand name:

- Supports Menopausal Health
- Red Clover is a natural source of the isoflavones, daidzein and genistein. These phytoestrogens can be used during menopause to help alleviate symptoms such as hot flashes and night sweats.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Joanne DeCandia, MS, RD  
Director of Nutrition Communications
