Re: Docket No. 00N-1531

Dear Mr. Glickman:

This replies to your letter dated February 5, 2004, on behalf of your client Bruce I. Diamond. Your letter was received in the Division of Regulatory Policy on February 9, 2004. You request a second and final extension of time to file supporting data in response to the Food and Drug Administration's proposal to debar Mr. Diamond under section 306(b)(2)(B) of the Federal Food, Drug, and Cosmetic Act.

You state in your letter that you need additional time because you have had difficulty obtaining documents and communicating with Mr. Diamond, and because of other obligations on your part. You request that you be given until February 16, 2004, to file supporting data. Your request is granted. Because February 16, 2004, is a Federal holiday, you have until February 17, 2004, to file the information on which you rely to justify a hearing.

Sincerely,

Jane A. Axelrad  
Associate Director for Policy  
Center for Drug Evaluation and Research
