August 19, 2003

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Salmon Oil supplements under one or more of the following brand names: American Health, Bioenergy Nutrients, Body Fortress, Good 'N Natural, Health's Finest, Heartland, HealthSmart Vitamins, HealthWatchers, Herbal Authority, Hudson, Life's Finest, Natural Wealth, Nature's Bounty, Nutrition Headquarters, Nutrition Warehouse, PhysioLogics, Precision Engineered, Puritan's Pride, US Nutrition, and Vitamin World:

- Supports/Promotes Heart Health
- Health experts agree: not all fat is bad for you. Omega-3 fatty acids are considered one of the "good" fats important for cellular, heart and metabolic health.
- But getting an adequate amount of fatty acids to protect heart health is not easy – especially in today's fast food world.
- Salmon Oil contains eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), two fatty acids that help support and maintain the health of your cardiovascular system.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Joanne DeCandia
Joanne DeCandia, MS, RD
Director of Nutrition Communications
