Re: Docket # 75N-183H  
Comments #: C83

Dear Ms. Jennie Butler,

Colgate-Palmolive Company sent a submission to FDA on August 19, 2003 in response to the re-opening of the Topical Antimicrobial Drug Products for Over-the-Counter Human Use: Health-Care Antiseptic Drug Products Tentative Final Monograph. In the three referenced clinical studies attached to the report, the word "Confidential" appears on the front page of each study. As a result, these studies have been classified as such and are not able to be viewed by the public.

Since this was not our intent, we respectfully request that you allow public viewing of our entire submission, including the three referenced clinical study reports as they are an integral part of our submission.

If you have any questions regarding this matter, please feel free to contact me at 732-878-7468.

Respectfully,

Eugenie C. Acosta
