Re: **Notification Letter for Atkins PM Renew Dietary Supplement**

To Whom It May Concern:

This letter notifies the Food and Drug Administration that within the past 30 days our company has begun to market Atkins PM Renew Dietary Supplement, with the following structure/function claims included on the label and in labeling for the product:

- Detoxifies Your System
- Promotes a Healthy Colon
- Helps Maintain Intestinal Balance

The dietary ingredients of the product that are the subject of the above statements are:

- Freeze dried cultures of lactobacillus acidophilus and lactobacillus sporogenes
- Fructo-oligosaccharides, arabinogalactan and mannan-oligosaccharides
- Herbal Blend consisting of: Aloe vera leaf, barberry root, black radish root, echinacea herb (aerial parts), red clover flower, burdock root, mullein leaf, parsley leaf, wood betony herb (whole plant), dandelion root, ginger root and cramp bark (root bark)

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement is truthful and not misleading.

Very truly yours,

Atkins Nutritionals, Inc.

Paul Bruns, Ph.D.
