Dear Sir or Madam,

This letter serves as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 (DSHEA), that Boots Retail USA Inc. is using the following statements on the label or in the labelling of:-

Boots Detox Body Freshener Dietary Supplement
(dietary ingredients; Agaricus Bisporus extract)

"These tablets contain an extract which attacks smells where they originate within the body. This helps to reduce body odours that may be associated with the side effects of detoxing."

"The Body Freshener tablets contain an extract which helps it neutralise odours in the intestine where they originate, resulting in fresher breath and reduced odours."

These statements are accompanied by the required disclaimer. To the best of my knowledge, the information contained in this notice is complete and accurate and the company has substantiation that these statements are truthful and not misleading.

Sincerely,

Jane Burton
