RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Full Spectrum™ Dong Quai, a dietary supplement. Planetary Formulas® is the manufacturer of Full Spectrum™ Dong Quai.

Statements being made in the labeling of Full Spectrum™ Dong Quai

- 1) Dong Quai is one the most relied upon herbs worldwide to support a healthy female cycle.
- 2) Used to build blood and promote pelvic circulation, it has remained one of the premier tonifiers of Chinese herbalism for more than 1000 years.
- 3) Planetary Formulas Full Spectrum™ Dong Quai is prepared from the entire root – not just part of the root – for balanced activity.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Planetary Formulas® possesses substantiation that the statements are truthful and not misleading.
