"Keep America Healthy Since 1910"

**NOTIFICATION PURSUANT TO  
SECTION 6 OF DSHEA  
AND 21 CFR § 101.93**

This notification is being filed on behalf of Indiana Botanic Gardens, Inc., which is the distributor of the product which bears the statements in this notification. Its business address is: 3401 West 37<sup>th</sup> Avenue, Hobart, IN 46342. This notification is being made pursuant to Section 6 of the DSHEA and Rule 21 CFR § 101.93. The dietary supplement product on whose labeling the statements appear is Red Wine Extract Capsules.

The text of each structure-function statement for Red Wine Extract Capsules for which notification is now being given is:

- (statement 1): Contains one of the strongest antioxidants available.
- (statement 2): Enhances the function of your cardiovascular and circulatory system.
- (statement 3): Nutritionally supports the cholesterol levels that are within normal range.
- (statement 4): Our Red Wine extract is high in phenols and resveratrol. Phenols are antioxidants that help blood flow smoothly through arteries. Resveratrol slows the oxidation of 'bad' LDL cholesterol, which can adhere to artery walls.

The following identifies the brand name of each supplement for which a statement is made:

<u>Statement Number</u>	<u>Brand Name</u>	<u>Label or Labeling?</u>
1	Botanic Choice (Red Wine Extract)	labeling
2	Botanic Choice (Red Wine Extract)	labeling
3	Botanic Choice (Red Wine Extract)	labeling
4	Botanic Choice (Red Wine Extract)	labeling

I, Tim Cleland, am authorized to certify this notification on behalf of Indiana Botanic Gardens, Inc. I certify that the information presented and contained in this notification is complete and accurate, and that Indiana Botanic Gardens, Inc., has substantiation that each structure- function claim is truthful and not misleading.
