Dear Dr. Kahl:

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, NaturaLife Corporation wishes to notify the Food and Drug Administration that it has within the past 30 days, commenced marketing a dietary supplement which bears a statement of nutritional support.

The dietary supplement for which the statement is made is Calcium Absorption. The dietary ingredient that is the subject of the statement is Evening Primrose Oil. The statement of nutritional support reads as follows:

"Helps the body use calcium effectively. NaturaLife Calcium Absorption provides the Essential Fatty Acids Gamma Linolenic Acid and Eicosapentaenoic Acid, which are important in calcium absorption for healthy bones. NaturaLife Calcium Absorption helps calcium uptake in the body from all sources."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

This statement of nutritional support is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURALIFE CORPORATION
