**SECTION 403(r)(6) NOTIFICATION**

Dear Sir or Madam:

In accordance with the requirements of section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, Shaklee Corporation notifies FDA that it has begun using the following statements:

For mental acuity.

Ginkgo biloba, provides time-tested nutritional support for mental acuity, circulation and is also valuable for the strength of blood vessel walls.

This unique combination formula also has Folate, Vitamin B12, and Vitamin B6 which can have the benefit of lowering elevated homocystein levels.

Research shows that the standardized extract of Ginkgo biloba:

- has powerful antioxidant properties that protect blood vessel walls from free radical damage.

975-0162

LET 800

**Shaklee Corporation**

- helps maintain normal metabolic activity in the brain.
- helps control platelet activating factor (PAF), which contributes to proper clumping of blood platelets, providing dietary support for proper circulation to the brain.

Glycosides and terpenes are two unique, naturally occurring compounds that help maintain proper circulation.

Our enhanced Proprietary Blend also contains:

- Hawthorn - has antioxidant properties, may help protect blood vessel walls.
- Gotu Kola - traditionally used in Asia to help maintain a sense of well-being.
- Bilberry - has antioxidant properties
- Rosemary - has antioxidant properties.

which contain the statutory statement, on the following product:

Clarity

I certify that the foregoing is complete and accurate, and that Shaklee Corporation has substantiation that the statements are truthful and not misleading.

Very truly yours,

Christopher Jensen, MS, RD  
Director, Health Sciences
