Dear Dr. Kahl:

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Nature's Way Products, Inc. wishes to notify the Food and Drug Administration that it has within the past 30 days, commenced marketing a dietary supplement which bears a statement of nutritional support.

The dietary supplement for which the statement is made is Ginkgold. The statement of nutritional support reads as follows:

"Concentration, Memory, Cognitive Activity. Clinical studies conducted with Ginkgold show that it supports healthy circulation to the brain as well as the extremities. This is achieved by maintaining healthy blood vessel tone and reducing blood viscosity."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type. Please note that this is a change from the first notification sent on September 27, 1995.

This statement of nutritional support is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURE'S WAY PRODUCTS, INC.
