Section 403(r)(6) Notification

Dear Sir or Madam:

In accordance with the requirement of section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, **LEINER HEALTH PRODUCTS** notifies the FDA that it has begun using the following phrase and statements:

Specifically, you may find yourself more concerned about maintaining strong bones, good visual and mental acuity, and appropriate blood sugar levels.

(Multi-Vitamin and Minerals) The minerals in this formula are helpful for a healthy nervous system and a healthy heart.

(Multi-Vitamin and Minerals) Selenium has been the subject of important recent research, indicating many promising health benefits.

(Multi-Vitamin and Minerals) Also provided is the herb, Evening Primrose Oil, [a natural source of Gamma Linolenic Acid (GLA) and Linoleic Acid(LA)], which has been included because of its traditional importance to female health and balance.

(Natural Vitamin E) Vitamin E is required for the healthy formation of red blood cells and has a positive effect on cardiovascular health.

(Natural Vitamin E) It also appears to have a positive effect on protein metabolism, fat metabolism and hormone function.

(Calcium) It also helps maintain a healthy heart.

(Ginkgo Biloba) Ginkgo Biloba is traditionally used for its ability to enhance mental alertness and cerebral blood flow.
