3655 Bonneville Pl  
Burnaby, B.C.  
Canada V3N 4S9**

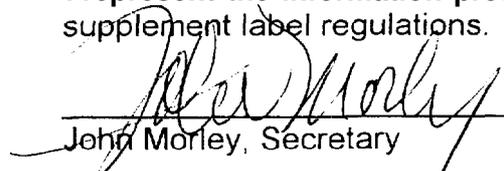

**Distributor: Natural Factors Nutritional Products, Inc.  
1420 80<sup>th</sup> St. SW, Suite B  
Everett, WA 98203**

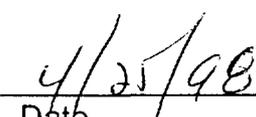

Text of the side panel: Phosphatidylserine is a natural substance found in the brain which helps increase cell flexibility. This special ability improves function of neurotransmitters, in turn enhancing mental recall, focus and clarity. Many scientific studies have documented the health promotion properties of phosphatidylserine relating to cognitive function. Natural Factors PS is derived from soy, making it a completely natural substance. PS is a superb daily addition to the diet of anyone needing safe nutritional support for memory or lack of concentration. PDP: "Nutritional brain support for enhanced memory & concentration.

**Name of dietary ingredient that is the subject of statement: PhosphatidylSerine**

**Name of the dietary supplement: Natural Factors**

**I represent the information presented to be accurate and in compliance with supplement label regulations.**
