Dear Dr. **Kahl**:

Nature's Way Products, Inc. wishes to notify the Food and Drug Administration that it **has**, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Leg Veins. **The dietary ingredients** that are the subject of the statement are **Oligomeric proanthocyanidins** and **Horsechestnut Extract**. The statement reads as follows:

"Supports healthy circulation in the legs. Masquelier's Tru-OPC's to protect and strengthen collagen for healthy vascular walls. HorseChestnut IM.met provides Aescin which has been shown to support healthy circulation in the lower legs."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

The information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURE'S WAY PRODUCTS, INC.

Gordon M. Walker
Regulatory Counsel
