Please be advised that Jarrow Formulas, Inc. is marketing a product containing a "Structure and Function" statement on the label. According to the notification requirements set forth by the DSHEA (Dietary Supplement Health and Education Act, 1994) legislation, please be advised of the following:

Name of Product: Hawthorn, 100 capsules

Active Ingredient(s): Hawthorn 5:1 Concentrate

Claim(s): "Promotes Efficient Heart Function." Hawthorn (*Crataegus oxyacantha*) has been used for centuries to aid circulation. Clinical research has identified the beneficial compounds responsible for hawthorn's activity. These compounds include flavonoids, such as vitexin 4 - rhamnoside, O-glycosides, luteolin-y glucoside, hyperoside, quercetin and rutin. Hawthorn contains a powerful antioxidant that protects cells of the cardiovascular system from free radicals. Hawthorn promotes efficient heart function.

The following disclaimer appears on the label: These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

These claims are limited to, and a result of, what we believe to be a substantial body of scientific evidence supporting the functional role of these nutrients. A compendium of relative published research substantiating the above statement(s) is on file at the corporate office.

Respectfully submitted,

Siddharth S. Shastri, B.A., C.C.N.
Director of Product Development

97S - 0162

60147
LET 1941

Suggested Usage: As a dietary supplement, take 1 to 3 capsules per day, or as directed by your qualified health consultant.

Hawthorn (*Crataegus oxyacantha*) has been used for centuries to aide circulation. Clinical research has identified the beneficial compounds responsible for hawthorn's activity. These compounds include flavonoids, such as vitexin 4'-rhamnoside, O-glycosides, luteolin-7 glucoside, hyperoside, quercetin and rutin. Hawthorn contains a powerful antioxidant that protects cells of the cardiovascular system from free radicals. **Hawthorn promotes efficient heart function.**
