Re: Notification of DSHEA nutritional support claim for AmeriFIT Vitamin E 400 Dietary Supplement

Dear Sir or Madam:

The purpose of this letter is to provide notification pursuant to section 403 (r)(6) of the Federal Food, Drug, and Cosmetic Act ("the Act") and 7 C.F.R. § 101.93 that AmeriFIT, Inc., is marketing a dietary supplement that bears a statement of nutritional support as defined in section 403 (r)(6) of the Act.

The labeling for AmeriFIT's Vitamin E 400 bears the following statement(s):

"Vitamin E 400 is an antioxidant used by the body to fight potentially harmful free radicals"

"An important part of energy and antioxidant systems"

AmeriFIT, Inc. has on file substantiation that the above statements are truthful and not misleading. To the best of my knowledge, the information contained in this notice is complete and accurate.

Sincerely,

Craig Larsen  
Director of Product Development and Quality Assurance
