Text of the side panel: Henry's Marketplace Evening Primrose Oil is a natural source of Omega- γ fatty acids with guaranteed levels of Gamma Linolenic Acid (GLA). These essential fatty acids are needed to form important prostaglandins that maintain and regulate vital body functions.* Evening Primrose Oil is also used to enhance women's' well being.* This product is produced using a cold pressed and ultra-filtration process. This process results in a pure and stable product, free of preservatives, solvents and any organic matter that could contribute to rancidity. Added Vitamin E enhances long term freshness.

Text on PDP: Support for vital body functions*
