Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Standard Process offers many products that will help support your immune system from the stresses of modern life and the changing seasons.*
- (2) We use it here for its role in phagocytosis, the ingestion of foreign bodies by white blood cells. Calcium also supports the immune system in various ways; it helps maintain protective intestinal flora, acid-base balance, activation of enzyme reactions and hormone secretions, and maintenance and function of cell membranes and membrane permeability.*

These statements are made for a dietary supplement containing calcium lactate, magnesium citrate, calcium stearate, and arabic and cellulose gum. The name of the product is Calcium Lactate™.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
