Dear Dr. Yetley:

Notice is hereby given pursuant to the requirements of Section 403(r)(6)(21 U.S.C. 343(r)(6) of the Federal Food, Drug and Cosmetic Act of statements of nutritional support which have been made on the label and/or in the labeling in connection with the marketing of the dietary supplement PRO HERBS RELAX & EASE TENSION. PRO HERBS RELAX & EASE TENSION was first marketed with these statements of nutritional support on Monday, March 29, 1999. The statements of nutritional support are as follows:

“Lessens everyday tension and promotes relaxation”

“Take a moment to relax and ease everyday tension and stress with a complete formula that combines clinically tested ingredients such as **Kava Kava** to help promote relaxation, and **Chamomile**, to soothe digestive muscles and calm nerves. **Passion flower** is added for its well known benefits in calming the body and a mixture of **Vitamin B's** to help support healthy nerve function and promote muscle relaxation. Include Relax & Ease Tension in your daily nutrition for a healthier you.”

Very truly yours,

MASON VITAMINS, INC.
