**Caution**

Safety of lasalocid for use in unapproved species has not been established. Feeding undiluted or mixing errors may result in an excess lasalocid concentration which could be fatal to cattle and sheep. Do not allow horses or other equines access to Type B feeds containing lasalocid as ingestion may be fatal.

**Warning:** No withdrawal period is required. A withdrawal period has not been established for this product in pre-ruminating calves. Do not use in calves to be processed for veal.
