FOOD RELATED EMERGENCY EXERCISE - BUNDLE

Wilted Woes

The FREE-B is a set of five (5) scenarios, (Wilted Woes, How Sweet It Is(n't), Insider Addition, Stealthy Situation, and High Plains Harbinger) each of which contains a Facilitator's Guide, a Lead Planner's guide and a Situation Manual.

How Sweet It Is(n't)

Insider Addition

Stealthy Situation

High Plains Harbinger

The overarching objectives of FREE-B is to:

- Cultivate professional skills by learning how to work with dynamic, ad-hoc teams facing critical food emergency incidents that threaten the safety of the public;
- Assess readiness (agency, facility, profession, department, authority, etc) to effectively address a food contamination incident;
- Define roles and interactions with partners;
- Understand the purpose and objectives of federal, state, local and industry organizations and how each provides resources to address different aspects of food contamination scenarios; and/or
- Take appropriate, timely and effective steps to remediate emergency situations that are caused by intentional or unintentional acts.

The FDA collaborated with the USDA's APHIS and FSIS and the CDC in the development of the FREE-B.
