Dear Mr. Stein:

It has come to our attention that you may be marketing the FormaV and FractoraV lasers, which meet the definition of a device as that term is defined in section 201(h) of the Federal Food Drug and Cosmetic Act (FD&C Act), in a manner that potentially violates the FD&C Act.

Specifically, we have conducted a review of our files, and have been unable to identify any Food and Drug Administration (FDA) clearance or approval for the FormaV and FractoraV lasers as currently marketed on the website, <a href="https://inmodemd.com/treatment/feminine-wellness/">https://inmodemd.com/treatment/feminine-wellness/</a>, for therapeutic use in the treatment of sexual dysfunction, vaginal rejuvenation and urinary stress inconsistence.

We request that you provide us with the following information:

- FDA clearance or approval number for the FormaV and FractoraV lasers.
- The basis for your determination of whether or not you are required to obtain FDA clearance or approval for the FormaV and FractoraV lasers.

In addition, we request that a written response be submitted within 30 days of receipt of this letter. The response and any further correspondence regarding this matter should reference the Document Number, listed above, and should be submitted to:
