

**CURRICULUM VITAE
OREGON HEALTH & SCIENCE UNIVERSITY**

NAME Erick H. Turner, M.D. **DATE** 9/23/2012

PRESENT POSITION AND ADDRESS

Academic Rank: 1. **Associate Professor**
 2. **Associate Professor (Joint)**
 3. **Senior Scholar**

Department/Division: 1. **Psychiatry**
 2. **Pharmacology & Physiology**
 3. **Center for Ethics in Health Care**

Professional Address: 3710 SW US Veterans Hospital Road, P3MHDC
 Portland, OR 97239

E-Mail Address: turnere@ohsu.edu
 erick.turner@va.gov

II. EDUCATION

Undergraduate and Graduate

9/85 – 6/89 MD, Oregon Health Sciences University, Portland, OR
9/82 – 5/85 BS in Science, Portland State University, Portland OR
9/75 – 6/77 Swedish Language Courses, University of Stockholm,
 Sweden
6/72 – 8/72 Foreign Study through Rollins College, Winter Park, FL
 Madrid, Spain
1/74 – 6/74 Foreign Study while at Duke, University of the Andes,
 Bogotá, Colombia
9/71 – 5/75 BA in Spanish and Psychology, Duke University, Durham,
 NC

Postgraduate:

National Institute of Mental Health (NIMH): Staff Fellow, Clinical
Psychobiology Branch, Bethesda, Maryland, 7/92 – 4/98 (first year,
ending June 1993, served as 4th and final year of psychiatry residency)
University of California: Irvine Medical Center, Orange, CA, Psychiatry

resident, 7/89-6/92 (3 years—credit for 4th year of residency received with 1st year at NIMH—see below)

Certification:

American Board of Psychiatry & Neurology, certificate #42707
Initial certification April 30, 1996 – December 31, 2006
Recertified February 6, 2012; valid until 2022

Licenses:

Maryland Active Expires: September 30, 2015 #D44211
DEA # FT1330911 – Expires: 11-30-2014
California Inactive Expired: December 31, 1993 #G069708
Controlled & Dangerous Substances #M35297; Expired: June 30, 2001

III. PROFESSIONAL EXPERIENCE

Academic:

Department of Psychiatry, 5/2001–present, Associate Professor (promoted from Asst. June 2013)
Department of Pharmacology & Physiology, 4/2001 - present – Joint Associate Professor
Center for Ethics in Health Care, OHSU – Senior Scholar, 7/2008 – present
NIMH Staff Fellow 1992-1998 (also listed above under Postgraduate Education)

Administrative:

1998 – 2001: Medical Officer (Clinical Reviewer), Psychotropics Team, Division of Neuropharmacologic Drug Products (DNDDP), Center for Drug Evaluation and Research (CDER), Food and Drug Administration (FDA), Rockville, MD

Other:

2001 – Present: Staff Psychiatrist, Portland VAMC, Portland, OR
Private practice (solo) – psychopharmacology
Dates 9/94 –3/01 (closed practice upon move to Portland, OR)
5415 W. Cedar Lane, Suite 201-B
Bethesda, Maryland 20814
(301) 718-9305
Contemporary Psychiatric Services (group practice)
5920 Hubbard Drive, Rockville, MD 20852
12/93 - 8/94 (left group practice to set up solo practice)
Outpatient and inpatient psychiatry as independent contractor

Inpatient coverage at Charter Behavioral Health Systems at
Potomac Ridge, Rockville, MD

Hopkins Bayview Med Ctr; Highland Health Facility
Baltimore, Maryland

On-call weekend coverage for emergency room psychiatric
evaluations, admissions, and for psychiatric wards

One 24-hour shift per month

7/93 - 8/94

Clinica Nueva Esperanza

Spanish-speaking mental health clinic subsidized by county

Medication management; some psychotherapy (in Spanish)

431 S. Bristol Street, Santa Ana, California 92703

Director: (b) (6)

9/91 - 6/92 (left California for NIMH position)

Lakeview Medical Group

Medication management provided on-site to clients of "board-and-
care" homes

Patient population: chronically mentally ill, developmentally
disabled

928 Town & Country Office Park, Orange, California 92668

Coordinator/group manager: (b) (6)

10/90 - 6/92

Past hospital affiliations

NIH Clinical Center, Bethesda, MD, 7/92 – 3/98

Suburban Hospital, Bethesda, MD, 8/94 – 9/99

Charter Behavioral Health Systems at Potomac Ridge (formerly

Potomac Ridge Treatment Center), Rockville, MD, 1/94 - 1999

Hopkins Bayview Medical Center (formerly Francis Scott Key
Medical Center), Baltimore, MD, 7/93 – approx. 1994

Highland Health Facility, Baltimore, MD, 7/93 – approx. 1994

IV. SCHOLARSHIP

Area(s) of Research/Scholarly Interest:

Current: Publication bias, esp. using FDA Drug Approval Packages as a registry and results database to document existence of unpublished and "spun" clinical trials

Previous: Clinical trials issues, FDA matters, placebo (esp. scientific need for), drug development process, interferon-induced depression, use of 5-hydroxytryptophan (serotonin precursor) in treatment of depression, mood disorders, seasonal affective disorder (SAD), circadian rhythms.

Grants and Contracts:

Federal:

Scientific Resource Center II to Support AHRQ Effective Health Care Program: *Reporting Bias in Systematic Reviews and Meta-analyses*; Agency for Healthcare Research and Quality, HHS 290 2012 00004; Co-Investigator (PI: Mark Helfand, MD, MPH, MS). FTE 25%.

VA Cooperative Study (CSP590) of the use of lithium to prevent suicide in patients with a recent suicide attempt. Site PI for Portland VA Medical Center. Recruitment to begin March 2015. FTE 15%.

Standard Care Pathway of STEP-BD (Systematic Treatment Enhancement Program for Bipolar Disorder); multicenter clinical trial sponsored by NIMH; site subinvestigator at Portland VA Medical Center, 1/02 – 2007; site PI Peter Hauser, M.D.; study PI Gary Sachs, M.D.; 40% effort.

Randomized Acute Depression Pathway of STEP-BD; phase 4 placebo-controlled clinical trial of bipolar depression; subinvestigator; Portland VA Medical Center, 10/02 – 2006; site PI Peter Hauser, M.D.; study PI Gary Sachs, M.D.; 10% effort. (Previous intramural NIMH support listed below)

State and Local:

Oregon Medical Research Foundation, ^{(b) (4)} awarded fall 2003, 5-Hydroxytryptophan (5-HTP) Augmentation of SSRI Therapy in Patients with Interferon-Induced Depression; PI. (Study not approved by IRB due to concerns re purity of dietary supplement; funds returned)

Other Support:

University of Groningen, March 19, 2012 – February 1, 2013; 12,000 Euros (~\$15,000), for mentoring junior researcher on project on publication bias in clinical trials on anxiety disorders; PI

is (b) (6), professor of psychiatry at that university's; 5% effort.

Stanley Medical Research Foundation, (b) (4) March 2008 – March 2010; 30% effort; study PI; Resulted in publication "Publication Bias in Antipsychotic Trials: An Analysis of Efficacy Comparing the Published Literature to the US Food and Drug Administration Database"

Pharmaceutical company support:

(b) (4)

(b) (4)

(b) (4)

Intramural NIH support (during NIMH fellowship)

As PI (all approx. 50% effort)

A positron emission tomographic (PET) study of the acute effects of bright artificial light in patients with seasonal affective disorder and healthy volunteers. Subinvestigator. Study conducted at NIMH. 1996-97.

A double-blind placebo-controlled study of single-dose metergoline in depressed seasonal affective disorder patients. Principal Investigator (PI). Study conducted at National Institute of Mental Health

(NIMH). 1994-95.

Single-case trial of bright artificial light in the treatment of seasonal hot flashes. Principal investigator. NIMH. 1992-93.

As co-investigator (all approx. 20% effort)

Tryptophan depletion vs catecholamine depletion vs sham depletion in patients with seasonal affective disorder in remission with light therapy.

Subinvestigator. Study conducted at National Institute of Mental Health (NIMH). 1996-97.

A positron emission tomography (PET) study of the effect of m-CPP on brain metabolism in SAD patients versus controls. Principal Investigator.

Study conducted at NIMH. 1995-96.

Open-label trial of extended bed rest and darkness as a mood stabilizer in a patient with rapid-cycling bipolar disorder. Subinvestigator. NIMH. 1995-96.

Crossover treatment trial of light visor vs. light box treatment in patients with seasonal affective disorder. Subinvestigator. NIMH. 1995-96.

Double-blind placebo-controlled clinical trial of exogenous melatonin administration and withdrawal in patients with rapid-cycling bipolar disorder.

Subinvestigator. NIMH. 1994-95.

Double-blind placebo-controlled single-dose study of ipsapirone in patients with seasonal affective disorder. Subinvestigator. NIMH. 1993-94.

Double-blind placebo-controlled trial of leuprolide (Lupron®) with and without testosterone replacement. Subinvestigator. NIMH, 1994-96.

Open-label trial of bright artificial light in bipolar depression. Subinvestigator. NIMH. 1993-94.

Double-blind placebo-controlled trial of cyanocobalamin (vitamin B12) in the treatment of seasonal affective disorder. Subinvestigator. NIMH. 1992-93.

Pending Support:

(b) (4)

Ph.D.

Invited Lectures, Conference Presentations or Professorships:

International (some items involve 2 or more talks at one location)

1. Swissmedic, Swiss Agency for Therapeutic Products, Bern, Switzerland, June 8, 2011, 2 talks—1 lecture + 1 roundtable discussion on topics of publication bias and transparency of drug regulatory agencies
2. McGill University, Montreal, Canada, 2 talks on publication bias and efficacy of antidepressants, 1 at Jewish General Hospital, 1 at Centre of Genomics and Policy, April 13, 2011
3. University of British Columbia, Vancouver, BC, Canada, 4 talks to different audiences regarding publication bias and efficacy of antidepressants, March 2-3, 2011
4. Danish University Antidepressant Group, keynote talk: The Earth is Flat, $d < 0.5$: The Silly Debate About Antidepressant Efficacy, November 5, 2010, Holckenhavn Castle, Nyborg, Denmark
5. Canadian Institutes of Health Research: Evidence-Based Perspectives on Detection and Clinical Care of Depression: Critique and Conversation. Montreal, Quebec, Canada. October 2009
6. Danish Society for Psychiatric Epidemiology, Copenhagen, Denmark. Annual Meeting, Nov 6, 2008, "Selective Publication of Antidepressant Trials—Influence on Apparent Efficacy." Part of symposium: "Antidepressants: Are They Effective?"

National

1. American Psychiatric Association 2013, San Francisco, CA; Part of symposium: "Antidepressants in MDD - The efficacy debate", Abstract #1371; ET talk title: "To Be or Not To Be (Effective)...That is NOT the Question".
2. University of Michigan Department of Psychiatry Grand Rounds, March 13, 2013. Topic: Publication bias and psychiatric drugs.
3. American Psychological Association, San Diego,

California, August 2010, talk: " The Emperor's New Journal Articles on Antidepressant Efficacy (and on Research in General)"; part of symposium entitled "Eat Your Data Raw – Data-Based Medicine Versus Evidence-Based Medicine"

4. APA 2009 – part of a symposium presented at 2009 American Psychiatric Association conference, entitled, “Do we have any effective treatments for depression?”
5. Creighton University Medical Center Distinguished Lecturer Series, Omaha, NE, Sept 3, 2008, “Selective Publication of Antidepressant Trials: Are Drugs as Effective as ‘Advertised’ in Peer-Reviewed Medical Journals?”
6. New Clinical Drug Evaluation Unit (NCDEU), Phoenix, AZ, May 27, 2008, “Selective Publication of Antidepressant Trials”, part of Workshop 5, Part II: Dissemination of Clinical Trials Results: A Necessary Step Toward Personalized Treatment
7. Clinical Trial Registries and Results Databases, conference organized by Center for Business Intelligence (CBI): Arlington, VA, April 2006, “A ‘Lost Ark’ of Clinical Trial Results—Gathering Dust at the FDA”
8. Grand Rounds, Long Beach VA Medical Center, “From Discovery to Market: An Inside View of the FDA Drug Development Process”, Jan 2004
9. NIMH Multicenter Clinical Trials: IND Exemptions. New Clinical Drug Evaluation Unit. Boca Raton, FL; 2000. (Talk given on behalf of FDA, invited by NIMH, meeting sponsors.)
10. Estrogen prescribing varies with season and latitude. American Psychiatric Association. New York; 1996: Symposium 12, Talk C.

Regional and Local

1. 2014 Oregon Society of Health-System Pharmacists (OSHP) Annual Seminar. Reporting bias and drugs: Is what you read the truth, the whole truth, and nothing but the truth? April 27, 2014.
2. 2012 OHSU Medical Scientist Training Program (MSTP; MD-PhD) Program Retreat, September 29, 2012, McMenamins Edgefield, Troutdale, Oregon.
3. Portland Psychological Association, talk: The Earth is Flat, $d < 0.5$: The Silly Debate About Antidepressant Efficacy, Portland, Oregon, February 17, 2011
4. Pacific Northwest Chapter of the Medical Library Association Annual Meeting, talk: Selective Publication & Drug Efficacy: Don't Believe Everything You (Don't) Read; Portland,

Oregon, October 11, 2010

5. Advance Practice Nurses Conference 2010, September 24, 2010. Talk: 'The Debate about Antidepressant Efficacy: Magic Bullets or Worthless Placebos?'; Portland VA Medical Center auditorium.
6. AMSA (American Medical Students Association) Integrity Week, May 6, 2009, Talk title: 'Evidence B(i)ased Medicine: Caveat Emptor (Caveat Lector)
7. Bioethics Study Group presentation, March 2009. Transparency or Translucency? Seeing Through the Emperor's Clothes of Evidence B(i)ased Medicine.
8. Lewis & Clark Graduate School of Education and Counseling, Center for Continuing Studies, Annual Continuing Education for Mental Health Therapists, January 30, 2009. Talk title: "Selective Publication of Antidepressant Trials: Are These Drugs as Effective as 'Advertised' in the Peer-Reviewed Literature?"
9. Oregon Psychiatric Association, Ashland, OR, Sept 20, 2008, "Selective Publication of Antidepressant Trials: How Well Do These Drugs Really Work?"
10. Department of Medical Informatics & Clinical Epidemiology, DMICE Informatics Conference, OHSU, Thursday, May 22, 2008, "Selective Publication of Antidepressant Trials and Its Influence on Apparent Efficacy"
11. Drug Effectiveness Review Project, 2008 Spring Governance Meeting, Portland, OR, May 2, 2008, "Selective Publication of Antidepressant Trials and Its Influence on Apparent Efficacy"
12. 19th Annual Kinsman Conference, April 16, 2008, Workshop B-1: "Truth telling and suppressed drug research data." Also member of panel: "Panel: Relationship of organization to community"
13. Behavioral Neuroscience Department, OHSU, March 21, 2007: "What does *all* the evidence say about lamotrigine's efficacy for acute bipolar depression?"
14. Oregon Psychiatric Association, Lake Oswego, OR, March 2, 2007, Critical Interpretation of Clinical Trial Data.
15. Reed College, Portland, OR, November 28 and December 1, 2006; presentation to psychology students: "What does all the evidence say about lamotrigine's efficacy for acute bipolar depression?"
16. Conference: Rational Prescribing – A Preferred Alternative to Formularies, Salem Hospital, "Evidence-Based Prescribing for Bipolar Disorder", Oct 2003

17. Providence Hospital, Portland, OR, Medical Grand Rounds (video broadcast throughout Providence system in west coast states), “FDA Regulation of Drug Development”, July 2002

V. SERVICE

Membership in Professional Societies:

- 1989 – 1998 American Psychiatric Association
- 1993 – 1998 Washington Psychiatric Society
- 1993 – 1998 Society on Light Treatment and Biological Rhythms

Editorial and Ad Hoc Review Activities:

Peer reviewer for journals

1. Archives of General Psychiatry
2. British Medical Journal (BMJ)
3. Cochrane Collaboration, Methodology Review Group
4. Drug Information Journal
5. JAMA
6. Lancet
7. New England Journal of Medicine
8. Oregon State Drug Review (newsletter)
9. Pharmacoepidemiology and Drug Safety
10. PLoS Clinical Trials
11. PLoS Medicine
12. PLoS ONE
13. Systematic Reviews
14. Trends in Cognitive Sciences
15. Trials (a BioMedCentral journal)

Other editorial activity

Editorial board, Drug Information Journal, 5/2002 - 12/2004
Academic editor, PLoS ONE, 5/2007 – present
Academic editor, PLoS Clinical Trials (folded into PLoS ONE),
9/2005 - 4/2007

Committees:

International/National

Nordic Cochrane Centre, Advisory Board, 2010 – present
Structured Product Labeling Workgroup on electronic indexing,
Health Level 7 (international nonprofit), 2012 – present
FDA Transparency Task Force, June 2009, testimony provided
Institute of Medicine – testimony to panel making

recommendations to Congress regarding Comparative Effectiveness Research. March 2009.

Member of Mock FDA Advisory Committee. Clients: Somerset Pharmaceuticals and BristolMyers-Squibb. Purpose: To discuss question of whether or not dietary restrictions should be required for the 20 mg dose of Emsam (transdermal patch, selegiline (MAOI)). Mock meeting October 14, 2005 in preparation for actual meeting October 26, 2005. Briefing materials for meeting available at:

http://www.fda.gov/ohrms/dockets/ac/05/briefing/2005-4186b2_index%20with%20disclaimer.htm

Institutional

7/2004 – 12/2004	Placebo Taskforce, member, PVAMC
12/2003 - 12/2006	Institutional Review Board (IRB), Member IRB#2 Portland VAMC
2/2002 - 12/2004	Research and Development Committee, member, PVAMC
10/2001 – 10/2002	Antidepressant Cost Reduction Workgroup, member, PVAMC
7/1993 – 7/1994	Executive Secretary, Intramural Review Board (IRB), NIMH Intramural Program, Bethesda, MD

Departmental

2012 – 2013	QTc Workgroup, Mental Health Service, Portland VAMC
-------------	---

Community Service:

Lincoln High School, Portland; SPARK lecture (Science, Policy, and Research Knowledge), February 8, 2006, Selective Publication of the Medical Literature.

(b) (6)

Clinical Responsibilities (since last promotion):

Staff Psychiatrist, Outpatient Clinic, Portland VA Medical Center, March 2001 – present. Current panel size = ~500 unique veterans, + expected 3 intakes per week. Annual performance report overall rating for past 4 fiscal years (chronological order): high satisfactory, high satisfactory, outstanding, outstanding.

VI. TEACHING

Direct Teaching (most items refer to multiple teaching encounters)

Evidence-Based Medicine Course for psychiatry residents. Fall 2007 to present. 15 face-to-face teaching hours per year plus prep time. Course director. Co-teachers: (b) (6) and OHSU reference librarians. Principles of Clinical Medicine (PCM): One of 3 panelists on conflict of interest in medicine. October 14, 2014.

Scientific Resource Center (SRC): Webinars given to Evidence-based Practice Centers (EPCs) in the US:

- (1) July 21, 2014: Peer-Reviewed Literature: Caveat Lector. The Problem of Outcome Reporting Bias. Shared hour-long presentation with (b) (6)
- (2) August 13, 2014: How to access and process FDA drug approval packages for use in research. Shared hour-long presentation with (b) (6)
- (3) January 28, 2015: Searching for Published and Unpublished Trial Data on FDA Website. Hour-long webinar presented to EPC librarians.

OHSU 3rd MS-3 Didactics. Mood Disorders: October 2001 to December 2011. Bipolar Disorder: January 2012 to present.

Most recent (July 2012 – December 2013) clinical supervision of group of 3 psychiatry residents in Portland VA outpatient mental health clinic.

Clinical supervision (cumulative 2001-June 2012) of individual trainees: 13 OHSU psychiatry residents, 3 pharmacy residents, 2 Mood Disorders Fellows.

FDA Regulation of Drug Development: 1st year medical students, OHSU, Pharmacology core curriculum, spring 2002-2008. Varied from 1 to 2 (consecutive) hours annually.

How the FDA Communicates with Physicians: 1st year medical students, OHSU, Pharmacology core curriculum, spring 2009-present.

Neuroscience and Behavior Course, OHSU second year med students – three 1-hr seminars annually from spring 2004-2010 covering schizophrenia, mood disorders, and anxiety disorders

MIRECC (Mental Illness Research, Educational, and Clinical Center) 2/03.

Human Investigations Program, OHSU – one lecture annually, 2003 to present.

OHSU Family Practice Residents, May 2009, Talk title: "Selective Publication of Antidepressant Trials: How Well Do These Drugs Really Work?"

Tips on Using That Rodney Dangerfield of Medical Books, The PDR,

Grand Rounds, OHSU, 6/04
Statistical vs. Clinical Significance in Clinical Drug Trials: The Tyranny of the P Value in Deciding Whether and How Well our Drugs Really Work, Journal Club, given to Portland VA Mental Health Division, 6/03
An Amateur's Guide to Medline Searching, Journal Club, given to Portland VA Mental Health Division 9/03
Designing, Conducting, and Analyzing a Clinical Drug Trial: Student Research Presentation; Mentored small group of OHSU 1st year medical students as part of pharmacology curriculum ~10 one-hour sessions, 2/03–4/03
Pharmacokinetics small group, 1st year medical students, 2-hr small group workshop, spring term 2003 to present (except 2010)
Pharmacology small group, Salicylate and acetaminophen overdose, 2-hour small group, spring 2003 – 2005
A patient with bipolar disorder and pathological gambling, Clinical Case Conference, given to Portland VA Mental Health Division, 12/02
Treatment of a rapid cycling bipolar patient using extended bed rest and darkness to stabilize the timing and duration of sleep, Clinical Case Conference, presented to PVAMC Mental Health Division, 10/01.
Seasonal Affective Disorder, 1-hr talk to nurse practitioners at Portland VA, December 2001
Seasonal Affective Disorder, Open Mood Disorders Forum, PVAMC Auditorium (lay audience, veterans + non-veterans)

Curriculum Development

Evidence-Based Medicine Course for psychiatry residents. Course director fall 2012 going forward. Previously co-director with (b) (6) (2007 to spring 2012).
Developed class for veterans with mental health problems, "Medications for Mental Health". Taught class together with pharmacists, September 2004 to December 2005. 15-class series, 3 classes per blocks x 4 blocks (depression, bipolar disorder, schizophrenia, anxiety disorders & insomnia). Course ended due to difficulty sustaining recruitment of veterans.

Mentoring and Advising

Mentored early career (b) (6) on project on publication bias with clinical trials of anti-anxiety medications. To be published in JAMA Psychiatry (b) (6).
Mentored two medical students (b) (6) during project on selective publication of antipsychotic trials, resulting in their co-authorship of article in peer-reviewed journal. Two to six hours per week (b) (6), followed by less frequent

ad hoc contact.

Mentored medical student ^{(b) (6)} on project on selective publication of clinical trials of antihypertensive medications. Eight hours per week x 3 months, summer ^{(b) (6)}.

Learner Assessment

For course Evidence Based Medicine for Psychiatry Residents, knowledge assessments conducted before start of course and at completion

Honors and Awards for Education

Regional/National

Distinguished Lecturer, Creighton University Medical Ctr, Omaha, NE, September 3, 2008
