

## **Coordinated Development of Antimicrobial Drugs and Antimicrobial Susceptibility Test Devices —September 29, 2016**

### **Speakers and Panelists**

#### **Helen Boucher, MD**

Director, Infectious Diseases Fellowship Program and Associate Professor of Medicine  
Tufts University School of Medicine, Boston, MA

#### **Sam Bozzette, MD, PhD**

Vice-President, Medical Affairs-Americas  
bioMerieux, Durham, North Carolina

#### **Bill Brasso**

Sr. Staff Scientist  
BD Diagnostics, Sparks, Maryland

#### **Ed Cox, MD, MPH**

Director  
Office of Antimicrobial Products (OAP), CDER  
Food and Drug Administration, Silver Spring, Maryland

#### **Darcie (Roe) Carpenter, PhD**

Director, Clinical Affairs  
Beckman Coulter (Microscan), Sacramento, California

#### **Ian Critchley, PhD**

Vice President, Clinical Microbiology  
Allergan, Irvine, CA

#### **Steve Gitterman, MD, PhD**

Deputy Director  
Division of Microbiology Devices (DMD), Office of In Vitro Diagnostics and Radiological Health (OIR), CDRH  
Food and Drug Administration, Silver Spring, Maryland

#### **Romney Humphries, PhD**

Section Chief of Clinical Microbiology and an Assistant Professor, in the Department of Pathology and Laboratory Medicine  
David Geffen School of Medicine at UCLA, Los Angeles, CA

#### **Kevin Krause, MBA**

Director and Head of Microbiology  
Achaogen, South San Francisco, CA

**Olga Lomovskaya, PhD**  
Vice President, Biology  
The Medicines Company, San Diego, CA

**Amy Mathers, MD**  
Associate Professor  
University of Virginia, Charlottesville, VA

**Melissa Miller, PhD**  
Professor of Pathology and Laboratory Medicine, Director of the Clinical Molecular Microbiology Laboratory and Associate Director of the Microbiology-Immunology Laboratory  
UNC School of Medicine, University of North Carolina Chapel Hill, Chapel Hill, NC

**Mary Motyl, PhD**  
Senior Principal Scientist  
Clinical Microbiologist  
Merck, Kenilworth, New Jersey

**Sumathi Nambiar, MD, MPH**  
Director  
Division of Anti-infective Products (DAIP), OAP, CDER  
Food and Drug Administration, Silver Spring, Maryland

**Jean Patel, PhD**  
Deputy Director of the Office of Antimicrobial Resistance  
Centers for Disease Control and Prevention, Atlanta, Georgia

**Charlene Reed, PhD**  
Chief Executive Officer  
The Foundation to Combat Antimicrobial Resistance, San Clemente, California

**John Rex, M.D.**  
Senior VP and Chief Strategy Officer, Infection Business Unit  
AstraZeneca, plc

**Ribhi Shawar, PhD**  
Branch Chief, General Bacteriology and Antimicrobial Susceptibility Branch, DMD  
OIR, CDRH  
Food and Drug Administration, Silver Spring, Maryland

**Fred Tenover, PhD**  
Vice President, Scientific Affairs  
Cepheid, Sunnyvale, California

## **Disclosures**

Dr. Boucher served as a consultant for Actelion and Cardeas (Data Monitoring Committees) and NIAID (adjudication committee) in the last year. She is a voting member of the PACCARB (travel reimbursement), Treasurer of IDSA (travel reimbursement), ABIM (honoraria and travel reimbursement), and a member of the Board of Trustees of the College of the Holy Cross (travel reimbursement).

Dr. Brasso is a full time employee at BD-Diagnostic Systems.

Dr Bozzette is a full time employee of BioMérieux, Inc.

Dr. Darcie (Roe) Carpenter is a full time employee of Beckman Coulter.

Dr. Critchley is a full time employee of Allergan and holds stock in the company.

Dr. Humphries is a full time employee of the University of California, Los Angeles.

Dr. Humphries is a consultant to Merck, Allergan, Cepheid, Roche, SlipChip, MicrobeDx, DiaSorin, and receives grant support from bioMérieux, Beckman Coulter, BD, GenMark, Accelerate Diagnostics, Luminex, Merck, Allergan, Curetis, and Applied BioCode. Dr. Humphries is also on the Allergan and Merck speaker's bureau.

Mr. Krause is a full time employee of Achaogen, Inc.

Dr. Lomovskaya is a full time employee of The Medicines Company.

Dr. Mathers is/has acted as a paid consultant to the Medicines Company (formerly Rempex) and Accelerate Diagnostics.

Dr. Miller receives grant support from Luminex Molecular Diagnostics, GenMark Diagnostics, Hologic and served on a Scientific Advisory Board for Cepheid.

Mary Motyl is a full time employee of Merck and Co., Inc.

Dr. Rex is a full time employee of AstraZeneca, plc., and provides consultative support and advice to various pharmaceutical companies.

Dr. Tenover receives salary and benefits from Cepheid; is a member CDC Culture Independent Taskforce and a member of the IDSA Rapid Diagnostics Working Group.
