Good morning --

Please see FDA's guidance document on the 1572 form.  
<https://www.fda.gov/downloads/RegulatoryInformation/Guidances/UCM214282.pdf> It states --

**19. How should an investigator's name appear on the 1572?**

*Section #1 should contain the investigator's full legal name (e.g., name on the investigator's birth certificate or marriage certificate). Titles, degrees, and/or professional qualifications may follow the investigator's legal name, if desired.*

Kind regards,

Doreen M. Kezer, MSN

Senior Health Policy Analyst

Office of Good Clinical Practice

Can section one of the 1572 contain Jane M. Doe or must it contain Jane Michelle Doe. The medical license states Jane M. Doe. Does this count as a the "full legal name" requested for this section?
