Good afternoon,

The problem you are experiencing is likely due to a security issue with your browser. In many cases, the browser may be set to a preview mode when viewing pdf files. Switching browsers often solves the problem. In any event, I am providing a copy of Form FDA 3674 as an attachment to this message.

I hope this information is helpful. Please contact us again at gcp.questions@fda.hhs.gov should you have additional questions.
