Dear Mr. Koch and Mr. Wilverding:

We are enclosing a copy of the Establishment Inspection Report (EIR) for the inspection conducted at Central Admixture Pharmacy Services, Inc., 16800 Aston Street, Suite 150 Irvine, CA 92606, from February 1, 2016, to February 5, 2016, by the U.S. Food and Drug Administration (FDA).

When the Agency concludes that an inspection is "closed" under 21 C.F.R. 20.64(d)(3), it will release a copy of the EIR to the inspected establishment. The copy being provided to you comprises the narrative portion of the report; it may reflect redactions made by the Agency in accordance with the Freedom of Information Act (FOIA) and 21 C.F.R. Part 20. This, however, does not preclude you from requesting and possibly obtaining any additional information under FOIA.

The Agency continually works to make its regulatory process and activities more transparent for regulated industry. Releasing this EIR to you is part of this effort. This letter is not intended as an endorsement or certification of your facility. It remains your responsibility to assure compliance with the requirements of federal law, including FDA regulations.

If there is any question about the released information, please contact Dr. Raymond Brullo, at (949) 608-2918.

Sincerely,
