APPOINTMENTS/EMPLOYMENT:

- 1985-1993 Clinical Research Director, Wilson Dermatology Clinic, Wilson, N.C.
- 1986-1989 Clinical Investigator and Research Associate, Department of Orthopedics, Mount Sinai Medical Center, New York, N.Y.
- 1987-1997 Clinical Research Director, Greensboro Specialty Surgical Center, Greensboro, N.C.

KAREN E. BURKE, M.D., Ph.D.

1989-1990 Visiting Investigator, Department of Dermatology, Memorial Sloan-Kettering Cancer Foundation, New York, N.Y.
1991-1996 Clinical Member, Scripps Clinic and Research Foundation, La Jolla, Ca.
1998-2001 Scientific Research Consultant, Helena Rubinstein, L'Oréal, Paris, France
2012-2015 Scientific Research Consultant, Klox Technologies, Laval, Quebec, Canada
2016-Present Scientific Research Consultant, THEVAX Genetics Vaccine USA, Inc., Cape Canaveral, FL

HONORS/AWARDS:

1963-1967 Cornell University Dean's List
1967 Cornell University Magna Cum Laude with Honors in Chemistry and with Distinction in all Subjects
1969 Citation for Excellent Research from Sigma Delta Epsilon, Women in Science
1983 Resident's Research Publications, Journal of Dermatology and Oncology, Second Prize
1983 American Academy of Dermatology, Exchange Fellowship Award
1992 Singular Sensations Achievement Award
2001, 2003 New York Magazine The Best Doctors in New York
2001-2017 Castle Connolly Top Doctors New York Metro Area
2009 Honorary Life Governor, New York Academy of Sciences
2009 Police Athletic League (PAL) Women of the Year Award, New York
2010 Distinguished Women Award, Northwood University
2014 Elected to American Dermatological Association
2014 Presidential Citation from the American Academy of Dermatology
2016 Elected to the Board of the American Dermatological Association
2016 Award from UNDWC (United Nations Delegates Welcoming Committee) for the Balsam Project (which provides health and educational support to Syrian refugee women and children living in six villages on the Syrian/Turkish border)

PATENTS:

US Patent Number: 4,865,840

TOPICAL COMPOSITION CONTAINING SELENOAMINO ACIDS FOR THE PREVENTION OF ULTRAVIOLET RADIATION-INDUCED SKIN DAMAGE

Date of Patent: April 29, 1987

US Patent Number: 5,330,757

METHOD FOR THE PREVENTION AND REVERSAL OF THE EXTRINSIC AGING OF THE SKIN BY TRANSDERMAL APPLICATION OF SELENOAMINO ACIDS AND COMPOSITIONS THEREFORE

Date of Patent: July 19, 1994

This patent is also in Canada, Europe (Austria, Denmark, France, Germany, Great Britain, Ireland, Belgium, Italy, Luxemburg, Monaco, Netherland, Portugal, Sweden), Asia (Australia, Japan, Korea, Singapore)

OTHER PROFESSIONAL ROLES:

Memberships in Professional Organizations with Leadership or Active Role:

1998- Member, Board of Directors, Parkinson's Disease Foundation
2004- Member, Antoinette Circle, The Skin Cancer Foundation
2005- Member, Nominating Committee, Women's Dermatologic Society
2007- Member, General and Plastic Surgery Devices Panel Advisory Committee, FDA
2009- Honorary Life Governor, New York Academy of Sciences
2009- Member, Board of Directors, New York Stem Cell Foundation

KAREN E. BURKE, M.D., Ph.D.

2014- Scientific Advisory Council, MDSolarSciences
2014- Member, Melanoma Research Alliance Dermatology Council
2016- Scientific Research Consultant, THEVAX Genetics Vaccine USA, Inc.
2016- Member, Board of Directors, American Dermatological Association
1987-1994 Member, Board of Directors, United Nations Affiliated World Transfer, Inc
1999-2003 Member, Committee of International Affairs, American Academy of Dermatology
2000-2006 Member, President's Council, New York Academy of Sciences
2005-2008 Member, Board of Directors, Women's Dermatologic Society
1999-2009 Member, Board of Governors of the New York Academy of Sciences
2012-2015 Scientific Research Consultant, Klox Technologies, Laval, Quebec, Canada

Memberships in Professional Organizations:

(*Uncertain of exact dates)

1983- Member, American Academy of Dermatology
1986- Member, Women's Dermatologic Society
1987- Member, American Society of Dermatologic Surgery
1988-* Member, American Medical Association
1994- Member, The Dermatology Foundation
2013- Member, New York County Medical Society
2014- Member, American Dermatological Association
2016- Member, Bellevue Alumni Society
1983-2014* Member, Society of Investigative Dermatology
1992-2014 Member, American Association for the Advancement of Science
2007-2014* Member, International Society of Dermatology

Elected membership in honor societies:

2009-present Honorary Life Governor, New York Academy of Sciences
2014-present Elected to American Dermatological Association
2016-present Member, Board of Directors, American Dermatological Association

Appointed memberships to editorial boards:

1998- Member, Editorial Board, *Cutis*
2007- Member, Editorial Board, *Aesthetic Dermatology News*
2007- Member, Editorial Board, *Cosmetics in Dermatology*
2007- Associate Editor, *Journal of Drugs in Dermatology*
1989-2000 Medical and Science Editor, *Diplomatic World Bulletin*, United Nations, New York, N.Y. and author of "Health Update" column and other articles

Extramural service:

1994- President, The Karen E. Burke Research Foundation, Inc.
1994- Founder and President, *Longévité, Ltd.*
1995- Member, United Nations Women's International Forum
2005- Volunteer Service to Police Athletic League (PAL)
2008- Member, Advisory Board, One Bright World (builds schools in Africa)
2008- Member, Advisory Council, Fisher Pei LLC (Lifestyle Design Services)
