

Curriculum Vitae

Gary A. Giovino

March 2017

Work Address: Department of Community Health and Health Behavior
School of Public Health and Health Professions
University at Buffalo
State University of New York
3435 Main Street
310 Kimball Tower
Buffalo, New York 14214-8028
Office Telephone: (716) 829-6952
Facsimile: (716) 829-6040
E-Mail: ggiovino@buffalo.edu

Professional Interests:

Lifestyle and environmental factors in health and disease;
Population research on patterns, determinants and control of tobacco use in adolescents and adults, using state, national and international surveys;
Suboptimal nutrition as a risk factor for the development and maintenance of nicotine addiction;
Adverse childhood experiences as risk factors for the development and maintenance of nicotine addiction.

University Education:

1987 Ph.D., Experimental Pathology - Epidemiology
State University of New York at Buffalo

1979 M.S., Natural Sciences - Epidemiology
State University of New York at Buffalo

1974 B.A., Psychology
University of Notre Dame; Notre Dame, Indiana

Employment:

2009 - present Chair, Department of Community Health and Health Behavior, School of Public Health and Health Professions, University at Buffalo, State University of New York

2007 - 2009 Acting Chair, Department of Health Behavior, School of Public Health and Health Professions, University at Buffalo, State University of New York

2006 - present Professor, Department of Community Health and Health Behavior, School of Public Health and Health Professions, University at Buffalo, State University of New York

2001 - 2006 Director; Tobacco Control Research Program; Department of Cancer Prevention, Epidemiology, and Biostatistics; Roswell Park Cancer Institute; Buffalo, New York

1999 - 2006 Senior Research Scientist (Full Member); Department of Cancer Prevention, Epidemiology, and Biostatistics; Roswell Park Cancer Institute; Buffalo, New York

1998-1999 Senior Epidemiologist; Epidemiology Branch; Office on Smoking and Health; Centers for Disease Control and Prevention; Atlanta, Georgia

1991 - 1998 Chief; Epidemiology Branch; Office on Smoking and Health; Centers for Disease Control and Prevention; Atlanta, Georgia

1990 - 1991 Acting Chief; Epidemiology Branch; Office on Smoking and Health; Centers for Disease Control; Rockville, Maryland/Atlanta, Georgia

1988 - 1991 Epidemiologist; Office on Smoking and Health; Centers for Disease Control; Rockville, Maryland/Atlanta, Georgia

1985 - 1988 Research Associate; University of Rochester; Department of Psychology; Smoking Research Program; Rochester, New York

1984 Assistant Research Scientist; New York State Department of Health; Buffalo, New York

1983 - 1984 Counselor and Assistant to the Director; Roswell Park Memorial Institute Stop Smoking Clinic; Department of Cancer Control and Epidemiology; Buffalo, New York

1982 - 1983 Research Affiliate; Roswell Park Memorial Institute; Department of Cancer Control and Epidemiology; Buffalo, New York

1980 - 1982 Senior Medical Records Clerk; Roswell Park Memorial Institute Tumor Registry; Buffalo, New York

1977 - 1979 Can-Dial Operator; Roswell Park Memorial Institute; Cancer Information Service; Buffalo, New York

University Appointments:

2006 - present Professor; Department of Community Health and Health Behavior; School of Public Health and Health Professions; University at Buffalo; State University of New York

2006 – present Professor of Oncology; Graduate Faculty of the University at Buffalo, Roswell Park Division; State University of New York

2002 - 2006 Associate Professor; Graduate Faculty of the University at Buffalo, Roswell Park Division; State University of New York

2001 - present Research Professor, Department of Epidemiology and Environmental Health (formerly Social and Preventive Medicine), School of Public Health and Health Professions, University at Buffalo, State University of New York

- 1987 - 1988 Assistant Professor; Department of Psychology; University of Rochester; Rochester, New York
- 1985 - 1987 Instructor; Department of Psychology; University of Rochester; Rochester, New York
- 1981 - 1983 Graduate Teaching Assistant, Department of Experimental Pathology - Epidemiology, State University of New York at Buffalo

Awards:

- 2017 Fellow; Society for Research on Nicotine and Tobacco
- 2015 Epidemiology and Public Health Theme Lecture; Society for Research on Nicotine and Tobacco; Philadelphia, Pennsylvania.
- 2013 Delta Omega Honor Society – Gamma Lambda Chapter (University at Buffalo School of Public Health and Health Professions)
- 2013 Senior Researcher of the Year Award, University at Buffalo School of Public Health and Health Professions
- 2013 Charles N. Poskanzer Lecture; SUNY Cortland; Cortland, New York.
- 2008 Craig Ryder Memorial Lecture & Award, New York State Department of Health Tobacco Use Prevention and Control Program, May 2008
- 2006 Joseph W. Cullen Memorial Lecture & Award. American Society of Preventive Oncology.
- 2002 Charles C. Shepard Science Award for Outstanding Scientific Contribution to Public Health for work on several Surgeons' General Reports on Smoking and Health (from the Centers for Disease Control and Prevention)
- 2002 Doll-Wynder Award/Lecture; Society for Research on Nicotine and Tobacco
- 2001 Best Paper Award, from the American Marketing Association's Advertising Special Interest Group, for: Pollay R, Siddarth S, Siegel M, Haddix A, Merritt RK, Giovino GA, Eriksen MP. The Last Straw? Cigarette Advertising and Realized Market Shares among Youths and Adults, 1979-1993. *Journal of Marketing* 1996 (April);60:1-16.
- 2001 Innovators Combating Substance Award from the Robert Wood Johnson Foundation
- 1998 U.S. Department of Health and Human Services, Secretary's Award for Distinguished Service related to the 1997 proposed tobacco settlement
- 1997 Centers for Disease Control and Prevention honor award for outstanding performance in the Research -- Operational category; for efforts in support of the Food and Drug Administration's tobacco regulations

- 1997 National Center for Chronic Disease Prevention and Health Promotion honor award for outstanding performance in the Research -- Operational category; for efforts in support of the Food and Drug Administration's tobacco regulations
- 1997 U.S. Department of Health and Human Services, Secretary's Award for Distinguished Service in the development of regulations to protect the nation's children from cigarette smoking
- 1995 National Center for Chronic Disease Prevention and Health Promotion honor award for outstanding performance in the Research -- Operational category; for providing expert epidemiologic leadership and guidance on tobacco-related issues
- 1994 Centers for Disease Control and Prevention group honor award for outstanding performance in the Research, Epidemiology, and Laboratory category for work on the 1994 report of the Surgeon General, *Preventing Tobacco Use Among Young People*
- 1992 Centers for Disease Control and Prevention group honor award for outstanding performance in the Research, Epidemiology, and Laboratory category for work on developing the Youth Risk Behavioral Surveillance System
- 1990 Center for Chronic Disease Prevention and Health Promotion honor award for outstanding performance in the Epidemiologic Research category
- 1989, 1991, 1994-1998 Office on Smoking and Health; Performance Awards for Outstanding Research Contributions
- 1988 Outstanding Contributor Award: American Lung Association, Finger Lakes Region, Inc.
- 1970 Blessed John Neumann Award for Outstanding Graduating Senior; Bishop Neumann High School; Williamsville, New York
- 1966 Sons of the American Revolution Good Citizenship Medal; School 68; Buffalo, New York
- 1966 American Automobile Association (AAA) award for distinguished service in protecting the lives of children as Captain of the School Safety Patrol; School 68; Buffalo, New York

Grants and Contracts:

29) National Foundation for the Centers for Disease Control and Prevention, Inc. Memorandum of Understanding with the CDC Foundation for Expert Consultation on, *Data for Health: Monitoring Non-Communicable Disease Risk Factors Using Mobile Telephones*. 7/1/15 – 3/31/17; Direct/Total costs: \$ 52,832/\$57,094. Principal Investigator.

28) Office on Smoking and Health, Centers for Disease Control and Prevention
Contract to guest edit a special issue of *Nicotine and Tobacco Research* on the African American smoking experience.

7/22/2014 – 3/31/2016; Direct/Total costs: \$9,936/\$15,847.

Principal Investigator

27) World Health Organization – Tobacco Free Initiative
Updating of the WHO *Guidelines for Controlling and Monitoring the Tobacco Epidemic*

11/1/2014 – 1/30/2015; Direct/Total costs: \$6,270/\$10,000.

Principal Investigator

26) National Foundation for the Centers for Disease Control and Prevention, Inc.
Memorandum of Understanding with the CDC Foundation for Expert Consultation on the Global Adult Tobacco Survey

2/1/09 – 12/31/16; Direct/Total costs: \$ 243,796/\$263,299.

Principal Investigator.

25) Robert Wood Johnson Foundation
Why Kids Don't Quit Transition Project
(Subcontract with the Public Health Institute)

2/1/09 – 12/31/09; Direct/Total costs: \$15,701/\$17,585

Co-Investigator; Dianne Barker is the Principal Investigator.

24) Robert Wood Johnson Foundation (Substance Abuse Policy Research Program)
Individual- and Policy-Level Influences on the Use of Various Cessation Strategies and Abstinence from Cigarettes Among Adult Smokers

10/1/07 – 1/31/10; Direct/Total costs: \$86,595/\$96,986

Principal Investigator.

23) Robert Wood Johnson Foundation (Substance Abuse Policy Research Program)
Impact of Smoke-Free Air Policies on Young Smokers' Demand for and Use of Treatment

10/1/06 – 12/31/09; Direct/Total costs: \$33,031/\$35,841

Co-Investigator (Dianne Barker, PI).

22) National Cancer Institute
Evaluating Low Ignition Propensity Cigarette Legislation

9/1/06 – 7/31/10; Direct/Total costs: \$1,161,418/\$1,479,582

Principal Investigator on the original grant and Co-investigator after I left Roswell Park in 2006 (Richard O'Connor, PI).

21) National Science Foundation
Collaborative Research: Social Networking Tools to Enable Collaboration in the Tobacco Surveillance, Epidemiology, and Evaluation Network (TSEEN)

9/1/06 – 12/31/12; Direct/Total Costs: \$101,793/\$161,341

Principal Investigator of the Buffalo site (Noshir Contractor, Northwestern University, PI of the Coordinating Center).

20) Battelle Memorial Institute (from NCI)
Tobacco Surveillance, Epidemiology and Evaluation Network

10/15/05-05/31/07; Direct/Total Costs: \$23,738/\$29,785

Principal Investigator.

19) National Cancer Institute

Global Variation in Lung Cancer and Other Diseases Caused by Smoking. Developmental Research Project partially funded by “Building the Evidence Base for Tobacco Control Policies”
(1 P50 CA111236-01)

9/30/05-9/29/06; Direct/Total Costs: \$80,000/\$80,000

Principal Investigator.

18) National Cancer Institute

Compiling and Evaluating Tobacco Surveillance Measures. Developmental Research Project partially funded by “Building the Evidence Base for Tobacco Control Policies”

(1 P50 CA111236-01)

9/25/05-12/24/06; Direct/Total Costs: \$57,588/\$98,000

Principal Investigator.

17) National Cancer Institute

Studies to Evaluate Consumer Reactions to Marlboro UltraSmooth. Developmental Research Project partially funded by “Building the Evidence Base for Tobacco Control Policies”

(1 P50 CA111236-01)

9/1/05-7/31/06; Direct/Total costs: \$35,000/\$36,035

Principal Investigator.

16) National Cancer Institute

TSNA Exposure from Cigarettes with Differing TSNA. Developmental Research Project partially funded by “Building the Evidence Base for Tobacco Control Policies”

(1 P50 CA111236-01)

10/1/04 – 9/30/05; Direct/Total costs: \$22,425/\$33,598

Principal Investigator.

15) National Cancer Institute

Policy Effects on Cigarette Design, Emissions, & Behavior

9/1/2004 – 8/31/2009; Direct/Total Costs: \$927,310/\$1,327,967

Page Principal Investigator of Project 3 of Transdisciplinary Tobacco Use Research Center Grant - Building the Evidence Base for Tobacco Control Policies; K. Michael Cummings, Principal Investigator (\$7,218,947/\$8,193,121). Co-investigator after I left Roswell Park in 2006 (Richard O’Connor, PI of Project 3).

14) American Cancer Society

The Relationship Between Media Advocacy and Tobacco Attitudes and Use

7/01/04-6/30/05; Direct/Total Costs: \$13,886/\$16,663

Principal Investigator of Roswell Park component; Katherine Clegg Smith was the Principal Investigator at the University of Illinois at Chicago.

13) New York State Department of Health

A Stop Smoking Campaign Aimed at African American Smokers in Western New York

6/1/03 – 8/3/05; Direct/Total costs: \$300,000/\$300,000

Principal Investigator.

12) Robert Wood Johnson Foundation

Tobacco Surveillance System, (subcontract with University of Illinois at Chicago on Project ImpacTeen)
3/1/03 – 1/31/09; Direct/Total Costs: \$464,105/\$507,773

Principal Investigator of Roswell Park Cancer Institute/SUNY at Buffalo Sub-contracts to the University of Illinois at Chicago (Frank Chaloupka, PI of Project ImpacTeen).

11) American Legacy Foundation

Surveillance Project: Population-based Study of Harm Reduction and the “Hard-Core” Smoker; Project 2 in Tobacco Epidemiology, Surveillance, and Intervention Center of Excellence

1/1/03 – 12/31/07; Direct/Total costs: \$175,246/\$189,265

Principal Investigator of Project 2. Andrew Hyland is the Principal Investigator of the Center of Excellence (Direct Costs/Total Costs: \$500,486/\$540,524).

10) Robert Wood Johnson Foundation

Assessing Youth Smoking Cessation Needs and Practices

3/1/02 – 6/30/08; Direct/Total costs: \$3,242,497/\$3,499,507

Principal Investigator

9) Robert Wood Johnson Foundation

Evaluating SmokeLess States (subcontract with University of Illinois at Chicago on Project ImpacTeen)

1/1/02 – 4/30/06; Direct/Total costs: \$134,073/\$221,540

Principal Investigator of Roswell Park component of this project.

Frank Chaloupka is the Principal Investigator of the Evaluating SmokeLess States project.

8) Robert Wood Johnson Foundation

Innovations to Enhance Tobacco Surveillance (from the Innovators Combating Substance Abuse program)

11/1/01 – 1/31/06; Direct/Total costs: \$291,649/\$299,808

Principal Investigator.

7) National Cancer Institute

Follow-up of the COMMIT Cohort Participants 13 Years Later

5/1/02 – 4/30/05; Direct/total Costs: \$1,542,373/\$1,955,255

Co-Investigator; K. Michael Cummings was the Principal Investigator of this grant.

6) Centers for Disease Control and Prevention

Intergovernmental Personnel Act of 1970

10/1/01 – 9/30/03; \$39,600/\$39,600

Principal Investigator (provided partial salary coverage).

5) Robert Wood Johnson Foundation

Research Network on the Etiology of Tobacco Dependence

1/1/01 - 9/30/04; Direct/Total Costs: \$39,419/42,966

Core Group Member (funding provided partial salary coverage).

4) Robert Wood Johnson Foundation

Survey of Youth Cessation Needs and Practices: Planning Grant Proposal

7/1/00 – 5/15/02; Direct/Total Costs: \$338,210/\$348,759

Principal Investigator.

3) Robert Wood Johnson Foundation

Informing Consumers About the Relative Health Risks of Different Nicotine Delivery Products

11/1/99 - 10/31/03; Direct/Total costs: \$335,204/\$348,795

Co-Investigator; K. Michael Cummings was principal investigator of this grant.

2) Centers for Disease Control and Prevention

Intergovernmental Personnel Act of 1970

10/1/99 - 9/30/01; Direct/Total Costs: \$47,138/\$47,138

Principal Investigator (provided partial salary coverage).

1) Robert Wood Johnson Foundation

Tobacco Surveillance System, (subcontract with University of Illinois at Chicago on Project ImpacTeen) 4/15/99-2/28/03; Direct/Total costs: \$698,923/\$745,082

K. Michael Cummings was the Principal Investigator of the original Roswell Park sub-contract; I became the Principal Investigator of that sub-contract on 4/15/99; Frank Chaloupka is Principal Investigator of Project ImpacTeen.

Selected Presentations:

- 125) Giovino GA. Discussant for symposium: *Tobacco Use Transitions Among Youth and Adults: Descriptive Longitudinal Data From Waves 1 and 2 of the PATH Study*. Society for Research on Nicotine & Tobacco; Florence, Italy; March 10, 2017.
- 124) Giovino GA. Articles 20, 21 & 22: Surveillance/epidemiology and Information Exchange -- Infrastructure & Capacity-building Needs. Presentation at the workshop, "Research Priorities to Advance the FCTC: Research to Policy in Low- and Middle-Income Countries," at the 16th World Conference on Tobacco OR Health; Abu Dhabi, United Arab Emirates; March 17, 2015.
- 123) Giovino GA. Public Health Surveillance Models, Principles, and Practice: Expanding the Scope to Address Current Issues. Invited presentation at the workshop, "Instituting Tobacco Use and Non-communicable Disease Surveillance Systems," at the 16th World Conference on Tobacco OR Health; Abu Dhabi, United Arab Emirates; March 17, 2015.
- 122) Giovino GA. Epidemiology of Tobacco Use and Dependence: Historical Patterns and Emerging Perspectives. Public Health Lecture (Invited Plenary) at the 2015 meeting of the Society for Research on Nicotine and Tobacco; Philadelphia, Pennsylvania; February 25, 2015.

- 121) Giovino GA. Tobacco Company Marketing Strategies: The Great Deception. Invited presentation to “Motivating Healthcare Clinicians to Implement Clinical Practice Guidelines.” Syracuse, NY; 3/26/14.
- 120) Giovino GA. What Evidence is Needed to Support Full Implementation of the FCTC in LMICs? Invited Panel Discussant. Harnessing Research Evidence and Capacity to Inform Tobacco Control in Low- and Middle-Income Countries. Center for Global Health Studies, Fogarty International Center, National Institutes of Health; Bethesda, Maryland. June 24, 2013
- 119) Giovino GA. Tobacco and Food: Connecting the Dots. 6th Annual Charles N. Poskanzer Lecture (Invited). SUNY Cortland, Cortland, New York; March 27, 2013.
- 118) Giovino GA. National Surveys: What’s Going On. Invited presentation and Session Chair at the National Conference on Tobacco OR Health; Kansas City, Missouri; August 17, 2012.
- 117) Giovino GA. Surveillance of Adult Tobacco Use – Some Key Issues. Invited presentation at the National Conference on Tobacco OR Health; Kansas City, Missouri; August 17, 2012.
- 116) Giovino GA, Stigler MH, Delnevo C. Summary of the Epidemiology of Tobacco Use as Described in Chapter 3 of the 2012 Report of the Surgeon General: *Preventing Tobacco Use Among Youth and Young Adults*. Invited presentation at the Evaluation Ancillary Meeting to the National Conference on Tobacco OR Health; Kansas City, Missouri; August 14, 2012.
- 115) Giovino GA. Re-examining the hardening hypothesis. Invited presentation to the 15th World Conference on Tobacco OR Health; Singapore; March 21, 2012.
- 114) Giovino GA, Thompson J, George T. Childhood maltreatment and smoking cessation. Poster presentation at the 2011 meeting of the Society for Research on Nicotine and Tobacco; Toronto, Canada; February 18, 2011.
- 113) Giovino GA, Scates-Preisinger A, Mowery PD, Barker DC. Method of quitting and smoking cessation in a cohort study of U.S. smokers. Poster presentation at the 2011 meeting of the Society for Research on Nicotine and Tobacco; Toronto, Canada; February 17, 2011.
- 112) Giovino, GA. Patterns of and recent trends in use of mentholated cigarettes in the United States. Presentation to the Food and Drug Administration Tobacco Products Scientific Advisory Committee; Silver Spring, MD; November 18, 2010.
- 111) Giovino GA. Survey-based measurement issues at national and state levels. Invited presentation made to “Tobacco Industry Monitoring: An Era of Opportunity,” Atlanta, Georgia; July 20, 2010.
- 110) Giovino GA. The tobacco industry within the Host, Agent, Vector and Environment model. Invited presentation made to “Tobacco Industry Monitoring: An Era of Opportunity,” Atlanta, Georgia; July 19, 2010.
- 109) Giovino GA. Global Tobacco Control: Monitoring and Tracking. Invited presentation made to “Monitoring Adult Tobacco Use: Expert and Partner Consultation,” Dublin, Ireland; June 28, 2010.
- 108) Giovino GA. Adverse childhood experiences and suboptimal nutrition: emerging risk factors for nicotine addiction. Invited presentation made to the National Cancer Institute’s Crosstalk Seminar Series; Bethesda, Maryland; May 6, 2010.

- 107) Giovino GA. The Public's Knowledge and Beliefs About Smoking & Health and Their Influencing Factors – What Do We Know? Invited presentation to the NCI Workshop on Cigarette Warning Labels, Packaging, and Product Labeling: Current Science and Practice to Identify Research Priorities; Rockville, Maryland; October 20, 2009.
- 106) Giovino GA. Development and maintenance of nicotine addiction: tobacco industry and environmental factors. Invited presentation to the sub-plenary session “Tobacco Addiction 101” at the National Conference on Tobacco OR Health; Phoenix, Arizona; June 12, 2009.
- 105) Giovino GA. Cigarette smoking prevalence and policies in the 50 states: an era of change – the Robert Wood Johnson Foundation ImpacTeen tobacco chart book. Keynote presentation to the National Conference on Tobacco OR Health; Phoenix, Arizona; June 10, 2009.
- 104) Giovino GA, Hartman A, Dierker L, Chaloupka F, Clayton R, Gibson JT, Sledjeski E. Indicators of hardening among U.S. smokers as a function of state-specific smoking prevalence. Poster presentation to the Joint Conference of SRNT and SRNT-Europe; Dublin, Ireland; April 30, 2009.
- 103) Giovino GA. Epidemiology of youth tobacco use. Invited presentation to the Virginia Forum on Youth Tobacco Use; Richmond, Virginia; April 14, 2009.
- 102) Giovino GA. Is the population of smokers in the United States softening? Oral presentation to the Annual Grantee Meeting of the Robert Wood Johnson Foundation's Substance Abuse Policy Research Program; Tucson Arizona; December 16, 2008.
- 101) Giovino GA. Ending the Tobacco Problem by 2030 – Implementing the Institute of Medicine's Blueprint. Craig Ryder Memorial Lecture (Invited); New York State Department of Health Tobacco Control Program 2008 Statewide Meeting – Shaping a Tobacco-Free Future: Strategies for 2010 & Beyond; Albany, NY; May 8, 2008.
- 100) Giovino GA. Agent & Environment (Surveillance of tobacco products and tobacco control policies). Invited presentation to the American Association for Cancer Research Frontiers in Cancer Prevention Research Workshop on Linking Tobacco Control Policies & Practices to Early Cancer Endpoints: Surveillance as an Agent for Change. Philadelphia, PA: December 4, 2007.
- 99) Giovino GA. The Tobacco Epidemic. Invited presentation to the 15th Annual Meeting of the Society for Prevention Research. Washington, D.C.; June 1, 2007.
- 98) Giovino, GA. Optimal Monitoring of the Tobacco Epidemic: What Cohort Studies Add. Invited presentation at Innovations in Building Consumer Demand for Tobacco Cessation Products and Services. Washington, DC; May 4, 2007.
- 97) Giovino GA. Fruit and vegetable consumption, physical activity and smoking status: exploring pre- and post-cessation relationships. Invited presentation given to the National Cancer Institute's Cancer Prevention and Control Colloquia Series. Bethesda, MD.; April 25, 2007.
- 96) Giovino, GA. The Tobacco Epidemic. Invited presentation to the President's Cancer Panel meeting on Promoting Healthy Lifestyles to Reduce the Risk of Cancer. Lexington, Kentucky; University of Kentucky; October 23, 2007.
- 95) Giovino GA. Predictors of Quitting among 16-24 Year old Smokers: Data From the National Youth Smoking Cessation Survey. Invited workshops presented at “Evaluation: Passport to the Future,” the 2006 Annual Meeting of the New York State Tobacco Control Program. Syracuse/Liverpool, New York; September 20/21, 2006.

- 94) Giovino GA, Barker D, Tworek C, Donohue K, Orleans T. Why Kids Don't Quit: Data from the National (USA) Youth Smoking Cessation Survey. Oral presentation at the 13th World Conference on Tobacco or Health. Washington, DC; July 13, 2006.
- 93) Giovino GA, Gerlach K, Chaloupka F, Chriqui J, Hartman A, Barker D, Tworek C, Yang J, Gibson JT, Paloma M, Fix B, Cummings KM. People and Policies: A Chartbook on the U.S. Experience. Oral presentation at the 13th World Conference on Tobacco or Health. Washington, DC; July 13, 2006.
- 92) Giovino GA. Background and Overview. Invited presentation given to Tobacco Use Prevention, Cessation, and Control: An NIH State-of-the-Science Conference. Bethesda, MD: June 12, 2006.
- 91) Giovino GA. Hard Core Smoking, Harm Reduction, and the Future of Tobacco Use in the United States. Joseph W. Cullen Memorial Lecture (Invited) at the 30th Annual Meeting of the American Society of Preventive Oncology. Bethesda, Maryland; February 28, 2006.
- 90) Giovino GA, Donohue K, Barker DC, Tworek C, Orleans CT. Youth Smoking Cessation: Baseline Characteristics and Predictors of Quitting in a National Sample of 2,582 16-24 Year Old Smokers. Poster Presentation at the 30th Annual Meeting of the American Society of Preventive Oncology. Bethesda, Maryland; February 27, 2006.
- 89) Giovino GA. Epidemiology of Tobacco Use and Cessation. Invited Presentation at Innovations for Building Consumer Demand for Tobacco Cessation Products and Services. Washington, D.C., December 7, 2005.
- 88) Giovino GA. What Quitters Want – Adolescents and Young Adults. Invited Presentation at Innovations for Building Consumer Demand for Tobacco Cessation Products and Services. Washington, D.C., December 7, 2005.
- 87) Giovino GA. What to do About Youth? The Options for Cessation. Invited presentation at the Annual Meeting of the New York State Department of Health's Tobacco Control Program. Albany, NY; September 16, 2005.
- 86) Giovino GA. Tobacco Harm Reduction: A Public Health Perspective. Invited presentation at the Annual Meeting of the New York State Department of Health's Tobacco Control Program. Albany, NY; September 14, 2005.
- 85) Giovino GA, O'Connor RJ, Pederson L, Trosclair A, Yang J, Donohue K, Hyland A, Cummings KM. Are Smokers in the United States Becoming Increasingly Hard Core? Presentation at the National Conference on Tobacco or Health. Chicago, Illinois; May 6, 2005.
- 84) Giovino GA. Discussant in the Major Session, "Reductions in State Tobacco Control Programs: What is Being Done and What Needs to Be Done to Evaluate the Effects." National Conference on Tobacco or Health. Chicago, Illinois; May 6, 2005.
- 83) Giovino GA, Yang J, Tworek C, Cummings KM, O'Connor RJ, Donohue K, Barker D, Hawk L. Use of Flavored Cigarettes among Older Adolescent and Adult Smokers: United States, 2004. Presentation at the National Conference on Tobacco or Health. Chicago, Illinois; May 6, 2005.
- 82) Giovino GA. Use of Tobacco Products Other Than Factory-Made Cigarettes: Findings from Selected U.S. Surveys. Presentation in the Symposium, "Multi-Level Surveillance of Tobacco Products:

- Consumption, Behavior, & Marketing.” National Conference on Tobacco or Health. Chicago, Illinois; May 5, 2005.
- 81) Giovino GA, Yang J, Tworek C, Cummings KM, O’Connor RJ, Barker D, Hawk L. Use of Flavored Cigarettes among Older Adolescent and Adult Smokers: United States, 2004. Poster presentation at the 11th annual meeting of the Society for Research on Nicotine and Tobacco. Prague, Czech Republic; March 23, 2005.
 - 80) Giovino GA. Monitoring and Evaluating Tobacco Use in the United States. Invited presentation at the CDC’s Health Communications, Surveillance, and Evaluation Conference. Atlanta, Georgia; February 17, 2005.
 - 79) Giovino GA. Use of Flavored Cigarettes Among Older Adolescent and Adult Smokers: United States, 2004. Invited presentation made to the New York State Tobacco Use Prevention and Control Program Annual Meeting. Buffalo, New York; November 9, 2004.
 - 78) Giovino GA. Epidemiology of Tobacco Use in the United States. Invited presentation to the Institute of Medicine Committee on “Reducing Tobacco Use: Strategies, Barriers, Opportunities.” Washington, DC; National Academy of Sciences; July 19, 2004.
 - 77) Giovino G, Biener L. Facilitators of Tobacco Use Surveillance and Epidemiology Breakout Group. NCI Tobacco Control Investigators Meeting: Synthesizing Research for the Public’s Health. San Diego, California; June 3, 2004.
 - 76) Giovino GA. Post-marketing Surveillance. Invited presentation at “Methods and Biomarkers to Assess Reductions in Tobacco Toxin Exposure.” Washington, D.C.; February 26, 2004.
 - 75) Giovino GA. Epidemiology of Hardcore Smoking: The Need to Advance the Field. Presentation at the Symposium “Transdisciplinary Classification of Hardcore Smokers: How Shall We Define ‘Hardcore’?; 10th Annual Meeting of the Society for Research on Nicotine and Tobacco. Scottsdale, Arizona; February 21, 2004.
 - 74) Giovino GA. Obtaining and Using Meaningful Tobacco Control Policy Measures. Invited presentation at the National Conference on Tobacco or Health. Boston, Massachusetts; December 11, 2003.
 - 73) Giovino GA, Yang J, Tworek C, Cummings KM, Hyland A, Berkowitz A, Cookfair D, Chriqui J, King J, Hartman A, Gibson JT, Chaloupka FJ. State-specific Trends in Tobacco Laws, Policies, and Behaviors – 1991-2003. Paper presented at the National Conference on Tobacco or Health. Boston, Massachusetts; December 10, 2003.
 - 72) Giovino GA. Tobacco Surveillance in the United States. Invited presentation in the session, “Where to Find Scientific Data to Support Best Practices in Tobacco Control,” at the National Conference on Tobacco or Health. Boston, Massachusetts; December 10, 2003.
 - 71) Giovino GA. Summary of *Clearing the Smoke: Assessing the Science Base of Tobacco Harm Reduction*. Paper presented in the workshop, “Do ‘Less Risky’ Tobacco Products Help or Hurt Tobacco Control?” at the 12th World Conference on Tobacco or Health. Helsinki, Finland, August 6, 2003.
 - 70) Giovino GA, Tworek C, Chaloupka F, Johnston L, O’Malley P, Cummings KM, Hyland A. Smoke-free Air Policies and Adolescent Smoking – United States, 1991-2001. Paper presented in the

- workshop, “The Effect of Tobacco Control Policies and Programs on Youth Smoking” at the 12th World Conference on Tobacco or Health. Helsinki, Finland, August 5, 2003.
- 69) Giovino, GA. The Epidemiology of Tobacco Use in the United States. Invited presentation at the City University of New York and Institute for Cancer Prevention Workshop on “Risk Perception, Smoking, and Cancer.” New York, New York; May 16, 2003.
 - 68) Giovino GA. Tobacco Surveillance in the United States. Paper presented in the session, “Where to Find Scientific Data to Support Best Practices in Tobacco Control,” at the National Conference on Tobacco or Health. San Francisco, California; November 20, 2002.
 - 67) Giovino GA, Clark PI, Schmitt C, Gfroerer J, O’Malley P, Appleyard J, Brown A, Cummings KM. Epidemiology of Menthol Cigarette Use in the United States. Paper presented in the session, “Update on Menthol Cigarettes: Sociology, Marketing, Epidemiology, and Toxicology,” at the National Conference on Tobacco or Health. San Francisco, California; November 20, 2002.
 - 66) Giovino GA. Epidemiology of Cigarette Smoking among Young Adults. Paper presented in the session, “It’s My Party: Young Adults Flirt with Tobacco Addiction,” at the National Conference on Tobacco or Health. San Francisco, California; November 20, 2002.
 - 65) Giovino GA. Welcome and Conceptual Overview. Invited presentation at the National Tobacco Monitoring, Research, and Evaluation Workshop. Bethesda, Maryland; November 4, 2002.
 - 64) Giovino GA. State-specific Trends in Tobacco-Use Behaviors and Attitudes. Invited presentation at the 2002 SmokeLess States Annual meeting. Chicago, Illinois; June 27, 2002.
 - 63) Giovino GA. Issues in Tobacco Control: Trends, Addiction, and Harm Reduction. Invited presentation at the American Legacy Foundation Program Development Retreat. Leesburg, Virginia; June 20, 2002.
 - 62) Giovino GA. Demographics and Trends of Tobacco Use in the United States. Invited presentation at the Mayo Clinic Nicotine Dependence Seminar: Counselor Training and Program Development. Rochester, Minnesota; May 20, 2002.
 - 61) Giovino GA, Clark PI, Schmitt C, Gfroerer J, O’Malley P, Appleyard J, Brown A, Cummings KM. Epidemiology of Menthol Use: Prevalence, Distribution, Population Segmentation, and International. Invited presentation at the First Conference on Menthol Cigarettes: Setting the Research Agenda. Atlanta, Georgia; March 21, 2002.

Classes Taught or Lectured In:

2010 - 2015	Primary Instructor, Health Behavior Change (CHB 502); School of Public Health and Health Professions; University at Buffalo, State University of New York
2013, 2014	Primary Instructor, Corporations and Public Health (CHB 500 – Special Topics), School of Public Health and Health Professions; University at Buffalo, State University of New York.
2009 - 2011	Invited Lecturer, Human Development II (OT 372); School of Public Health and Health Professions; University at Buffalo, State University of New York
2007, 2008	Invited Lecturer, Study of Health Behavior (HB 501), School of Public Health and Health Professions; University at Buffalo; State University of New York
2003-2009, 2011	Primary Instructor, Tobacco Control (CHB 528), School of Public Health and Health Professions; University at Buffalo, State University of New York
2007	Invited Lecturer; Physical Therapy 508 – Cardiopulmonary II, School of Public Health and Health Professions; University at Buffalo, State University of New York
2004-2011	Invited Lecturer, Cancer Control (PTR 500); Roswell Park Graduate Division; University at Buffalo, State University of New York
2004-2016	Invited Lecturer; Health Promotion, Prevention, and Wellness (ES 428/528); School of Public Health and Health Professions; University at Buffalo, State University of New York
2002-2004	Invited Lecturer, Behavioral Issues in Patient Management (CLD 824), School of Dentistry; University at Buffalo, State University of New York
2000, 2002	Co-Instructor, Public Health Practice of Tobacco Control (PTR 528), State University of New York at Buffalo, Roswell Park Graduate Division
1999	Co-Instructor, Methods in Epidemiology (RPN 527), State University of New York at Buffalo, Roswell Park Graduate Division
1999-2006, 2009 - 2016	Invited Lecturer, Cancer Epidemiology (RPN 525), University at Buffalo, State University of New York, Roswell Park Graduate Division

- 1999 Invited Lecturer, Principles of Epidemiology (SPM 501), State University of New York at Buffalo, Department of Social and Preventive Medicine
- 1997 Invited Lecturer; Introduction to International Politics; Clark Atlanta University; Atlanta, Georgia
- 1995-1997, 1999-2001 Course Coordinator -- Tobacco Use Epidemiology and Surveillance; Tobacco Use Prevention Summer Institute; Co-sponsored by the Center for Health Promotion and Disease Prevention at the University of North Carolina at Chapel Hill and the Centers for Disease Control and Prevention, Office on Smoking and Health
- 1993, 1995, 1997 Invited Lecturer; "Tobacco Control: Programs and Policies;" Rollins School of Public Health; Emory University; Atlanta, Georgia;

Graduate Students Mentored:

Master of Public Health:

- Tomofumi Sone, MD, MPH – 1994 (Emory University; Committee Member).
- Jennifer L. Graf, MPH – 2007 (Committee Member).
- Kim Rook, MPH, MSW – 2007 (Committee Member).
- Janet Hinkel, MPH – 2009 (Chair).
- Lesley MacInnis, MPH – 2009 (Chair).
- Alyssa Bennett, MPH – 2009 (Chair).
- Kimberly Snyder, MPH – 2010 (Chair).
- Aubrey Balcom, MPH – 2014 (Chair).
- Erin Campbell, MD, MPH – 2014 (Chair).
- Ashish Arora, MD, MPH – 2014 (Chair).
- Gabriella Krawiec, MPH – 2015 (Committee Member)
- James Thompson, MPH – 2015 (Committee Member)

Master of Science:

- Claudia Leiras, M.S. – 2001 (Committee Member).
- Samuel Garten, Ph.D., M.S. – 2001 (Committee Member).
- Michael Smith, M.S. – 2001 (Committee Member).
- Esther Lee, M.S. – 2005 (Chair).
- Sarah Klein, M.S., M.P.H. – 2006 (Committee Member).

Doctor of Philosophy in Epidemiology and Community Health:

- Cindy Tworek, Ph.D., M.S., M.P.H. – 2004 (Chair).
- Maansi Bansal, Ph.D., M.S. – 2006 (Committee Member).
- Qiang Li, Ph.D. – 2007 (Committee Member).
- Mark Travers, Ph.D., M.S. – 2008 (Committee Member).
- Gabrielle Foley, J.D., Ph.D., M.P.H. – 2012 (Committee Member).

Doctor of Philosophy in Epidemiology

- Katharine Dobson Amato, Ph.D., M.P.H., CPH – 2015 (Committee Member)

Doctor of Philosophy in Community Health and Health Behavior:

- Philip Smith, M.S., Ph.D. – 2013 (Committee Member).
- Jeffrey Haibach, M.P.H., Ph.D. – 2014 (Chair).
- Megan Saddleson, M.A., M.S., Ph.D. – 2015.

Jessica Kulak, M.A., M.P.H. – In progress (Co-Chair)

Doctor of Philosophy in Health Education and Behavioral Science; University of Medicine and Dentistry of New Jersey - School of Public Health

Daniel A. Gunderson, Ph.D., M.A. – 2012 (Committee Member)

Service/Other Activities

School

2015	Chair; Search Committee for a Chair of the UB Department of Epidemiology and Environmental Health
2012 – 2013	Chair; MPH Coordinating Committee; UB School of Public Health and Health Professions
2012 – 2013	Co-Chair; Search Committee for a Chair of the UB Department of Social and Preventive Medicine
2011 – 2013	Co-Chair; Search Committee for a Chair of the UB Department of Exercise and Nutrition Sciences
2008 – 2014	Chair, Integrative Project Sub-committee of the MPH Program Committee
2007 – 2014	Member, MPH Coordinating Committee, UB School of Public Health and Health Professions
2007	Member, Working Group on Population Health, Wellness, and Disability; School of Public Health and Health Professions; University at Buffalo, The State University of New York
2006 – 2007	Chair, Search Committee for the Chair, Department of Public Health Practice and Policy; School of Public Health and Health Professions; University at Buffalo, The State University of New York
2006 – 2014	Member, Academic Affairs Committee, School of Public Health and Health Professions; University at Buffalo, The State University of New York
2006 – 2008	Member, Core Curriculum Committee; School of Public Health and Health Professions; University at Buffalo, The State University of New York
2006 – 2008	Chair, Search Committee for faculty members for the Department of Health Behavior, School of Public Health and Health Professions; University at Buffalo, The State University of New York

University

2014	Member; Search Committee for a Chair of the UB Department of Counseling, School, and Educational Psychology
2014	Member, Search Committee for a Research Scientist, Research Institute on Addictions
2012 – 2013	Member, Search Committee for two faculty members, UB Department of Urban and Regional Planning
2012	Member, Search Committee for three faculty members, Roswell Park Cancer Institute Department of Health Behavior
2010 – 2013	Associate Member, University at Buffalo Social & Behavioral Sciences Institutional Review Board
2007 – 2010	Co-Chair, UBreathe-free committee to develop a smoke-free campus
2004 - 2006	Member, Roswell Park Cancer Institute Institutional Conflict of Interest Committee
2010 – present	Data Safety Officer; The EAT Well Study: Effect of Food Variety on Family Based Pediatric Obesity Treatment; Department of Pediatrics; Leonard Epstein,

PhD, Principal Investigator

Profession

2015 – 2016 2015	Member, Awards Committee, Society for Research on Nicotine and Tobacco. Co-Chair; <i>Reviewing Global Tobacco Surveillance Systems. Updating the 1998 Guidelines on Monitoring the Tobacco Epidemic</i> . World Health Organization, Tobacco-Free Initiative.
2015 - 2016	Lead Guest Editor: “Critical Examination of Factors Related to the Smoking Trajectory among African American Youth and Young Adults.” Special issue of <i>Nicotine & Tobacco Research</i> (to be published in Spring 2016).
2015 - present	Member, Tobacco Products Scientific Advisory Committee, U.S. Food and Drug Administration
2014 – 2015	Member, Biobehavioral Work Group for PhenX Tobacco Regulatory Research measures development
2014 – present 2013	Associate Editor; <i>Tobacco Regulatory Science</i>
2013 -- present 2013	Member. Association of School and Programs of Public Health. Subspecialty Tobacco Exam Planning (STEP) Project Committee.
2013 -- present 2013	Member. Strategic Dialogue on Tobacco Harm Reduction II. Grant Reviewer, FDA/NIH Tobacco Regulation Research Program (R01, R03, R21)
2012 – present	Chair; Social & Behavioral Sciences Forum, Association of Schools and Programs of Public Health
2012	Grant Reviewer, NIH International Tobacco and Health Research Capacity and Building Program (R01)
2007 - 2009	Co-Editor, “Monitoring the Tobacco Use Epidemic.” Special issue of <i>Preventive Medicine</i> published in January 2009.
2007	Grant Reviewer, New York State Health Foundation
2007 - 2008	Member, Global Tobacco Surveillance Advisory Committee
2007 – present 2006-2007	Chair, Questionnaire Review Committee, Global Adult Tobacco Survey Member, Program Committee, American Society of Preventive Oncology Annual Meeting
2005-2007 2005-2006	Member, Awards Committee, Society for Research on Nicotine and Tobacco Action Editor, <i>Nicotine & Tobacco Research</i>
2005	Member, Planning Committee. NIH State-of-the-Science Conference on Reducing Tobacco Use: Prevention, Cessation, and Control
2004 – 2005	Member, Data, Safety, and Monitoring Committee. The Parenting Project at UCSD. John P. Pierce, Principal Investigator; University of California at San Diego.
2004-2006	Member, Planning Committee, 13 th World Conference on Tobacco OR Health, Washington, D.C.; July 12-15, 2006.
2003 – 2005	Scientific Advisor, Center for Nicotine and Tobacco Use Research at Yale (Yale University Transdisciplinary Tobacco Use Research Center)
2003, 2004	Reviewer, Surveillance and Evaluation Subcommittee, National Conference on Tobacco or Health
2003	Co-Chair; Epidemiology and Surveillance Breakout Group for the meeting, “Women, Tobacco, and Cancer: An Agenda for the 21 st Century.” Houston, Texas; February 3-5, 2003.
2002	Co-Chair; National Tobacco Monitoring, Research, and Evaluation Workshop. Bethesda, Maryland; November 4-6, 2002.
2002 - 2004	Chair, Nominations Committee, Society for Research on Nicotine and Tobacco
2002 - present 2001	Member, Editorial Advisory Board for <i>Tobacco Control</i> Work Group Leader, Considerations for Assuring the Public Health:

- Communication, Surveillance, and Regulation Work Group, Reducing Tobacco Harm Work Groups Sessions; Arlington, Virginia; May 11, 2001.
- 2001 Advisor to the World Health Organization on surveillance for tobacco-related issues
- 2000 - 2001 Member, Steering Committee; Evaluation of Tobacco Control Conference; Johns Hopkins School of Public Health
- 2000 – 2002; 2006 - 2009 Member, Nominations Committee, Society for Research on Nicotine and Tobacco
- 1999 - 2002 Member, Steering Committee, Healthy Passages planning project, Centers for Disease Control and Prevention
- 1999 - 2001 Member, Committee to Assess the Science Base for Tobacco Harm Reduction, Institute of Medicine, The National Academies.
- 1999 Member, Advisory Committee, Epidemiology and Surveillance Research, American Cancer Society, National Home Office
- 1999 - 2000 Chair, Public Policy Committee, Society for Research on Nicotine and Tobacco
- 1999 - 2000 Member, Scenarios-in-the-Round and Addiction Sciences program subcommittees for the 11th World Conference on Tobacco OR Health
- 1999 – 2000 Member, Expert Panel on Regional Surveillance Systems for Tobacco Control, Centers for Disease Control and Prevention and World Health Organization
- 1999 - present Expert Consultant on Tobacco Issues for the National Survey on Drug Use and Health, Substance Abuse and Mental Health Services Administration
- 1999 – present Member, Evaluation Task Force of the California Tobacco Control Program, California Department of Health Services
- 1999 - 2002 Senior Editor; *Tobacco Control: An International Journal*
- 1999 Member, Search Committee for the Chief of the Tobacco Control Research Branch, National Cancer Institute, National Institutes of Health
- 1999 Member, Search Committee for the Director of the Division of Health Interview Statistics, National Center for Health Statistics, Centers for Disease Control and Prevention
- 1997 - 2003 Core Group Member; Research Network on the Etiology of Tobacco Dependence; Robert Wood Johnson Foundation
- 1997 Member, U.S. Department of Health and Human Services Tobacco Data Work Group
- 1996 Grant Reviewer, California Tobacco-Related Disease Research Program
- 1993 – 1999 Chair, CDC Tobacco Network
- 1990 – 1999 Advisor to various U.S. governmental agencies (e.g., Office of Management and Budget; Office of Personnel Management; Federal Trade Commission; Office of the Secretary, Department of Health and Human Services; Food and Drug Administration; National Cancer Institute; National Institute on Drug Abuse; National Center for Health Statistics; Substance Abuse and Mental Health Services Administration; U.S. Census Bureau; U.S. Environmental Protection Agency; U.S. Senate; U.S. House of Representatives) on tobacco-related issues
- 1990 – present Reviewer for various journals: *Addiction*; *American Journal of Epidemiology*; *American Journal of Preventive Medicine*; *American Journal of Public Health*; *Annals of Epidemiology*; *Archives of General Psychiatry*; *Arteriosclerosis, Thrombosis, and Vascular Biology*; *BMC Medicine*; *Cancer Causes and Control*; *Cancer Epidemiology, Biomarkers and Prevention*; *Chemical Research & Toxicology*; *Drug and Alcohol Dependence*; *Health Education Research*; *Health Psychology Review*; *Journal of Adolescent Health*; *Journal of the American Medical Association*; *Journal of Environmental and Public Health*; *Journal of Policy Analysis and Management*; *Journal of Rural Health*; *Journal of Studies on Alcohol and Drugs*; *Lancet*; *Maternal & Child Health*; *Neuroendocrinology*; *New England Journal of Medicine*; *Nicotine & Tobacco Research*; *PLoS*

Medicine; Population Health Metrics; Preventive Medicine; Public Health Reports; Social Science Research; Tobacco Control; Tobacco Regulatory Science

Community

2012 – present	Chair; Grant Writing Team. Buffalo City Swim Racers.
2010 – 2011	Member, Healthy Lifestyles Coalition Advisory Council; P ² Collaborative of WNY, Inc.
2003	Director, Set Free From Smoking class. Crossroads Christian Church; Elma, New York
2002	Instructor; Health Services Career Development Program; Roswell Park Cancer Institute (provided instruction to inner city children on careers in tobacco control and related fields)
2002 - present	Member; State of New York Tobacco Use Prevention and Control Advisory Board
1985 – 1988	Counselor, <i>Freedom Line: A Smoking Relapse Prevention Telephone Quitline</i> ; American Lung Association Finger Lakes Region and University of Rochester; Rochester, New York
1982 – 1985; 1999 – 2000	Counselor, Roswell Park Cancer Institute Stop Smoking Clinic
