## ***Curriculum Vitae***

**Michael Weitzman, M.D.**

**Page 2**

### **Education**

- 1976-77      Research Fellow, Department of Health Services, Harvard School of Public Health
- 1975-76      Health Administration studied at the Maxwell School of Public Administration, Syracuse, NY
- 1972-75      Intern, Resident, and Chief Resident in Pediatrics, Upstate Medical Center, Syracuse, NY
- 1972          Doctor of Medicine, State University of New York, Upstate Medical Center, Syracuse, NY
- 1968          Bachelor of Arts, Brooklyn College, Brooklyn, NY

### **Honors**

- 2017          American Pediatric Society, John Howland Award
- 2007          Who's Who in Science and Engineering
- 2007          America's Top Pediatricians, Consumers' Research Council of America
- 2005          EPA Children's Environmental Health Recognition Award
- 2005          University of Rochester Mentor Trainee Award
- 2003          Best Doctors List
- 1998          Ambulatory Pediatric Association, Teaching Award
- 1997          Ambulatory Pediatric Association, Research Award
- 1985          Faculty Teaching Award, Department of Pediatrics, Boston University School of Medicine
- 1975-76      National Fund for Medical Education Fellowship
- 1968          BA, cum laude, Brooklyn College, Brooklyn, NY

### **Academic Appointments**

- 2006-          Professor of Pediatrics, New York University School of Medicine (unlimited tenure)
- 2011-          Professor of Environmental Medicine, New York University School of Medicine
- 2011-          Adjunct Professor of Public Health, Comenius University, Bratislava, Slovakia
- 2014-          Professor of Global Health, New York University
- 2008- 2011    Professor of Psychiatry, New York University School of Medicine
- 2006-2008    Adjunct Professor of Community and Preventive Medicine, University of Rochester School of Medicine and Dentistry
- 2006-2008    Adjunct Professor of Pediatrics, University of Rochester School of Medicine
- 2005-          Research Fellow, Social Science Research Center, Mississippi State University
- 2002-2005    Professor of Community and Preventive Medicine, University of Rochester School of Medicine and Dentistry
- 1999-2005    Professor of Pediatrics and Associate Chair, University of Rochester School of Medicine and Dentistry (unlimited tenure)

## *Curriculum Vitae*

**Michael Weitzman, M.D.**

**Page 3**

- 1990-99 Edward H. Townsend Professor of Pediatrics, University of Rochester School of Medicine and Dentistry (unlimited tenure)
- 1990-94 Adjunct Associate Professor of Public Health (Health Services), Boston University School of Public Health
- 1989-90 Professor, Department of Pediatrics, Boston University School of Medicine, Boston, Massachusetts (unlimited tenure)
- 1984-90 Associate Professor, Department of Pediatrics, Boston University School of Medicine, Boston, Massachusetts
- 1984-90 Associate Professor of Public Health (Health Services), Boston University School of Public Health, Boston, Massachusetts
- 1979-84 Assistant Professor, Department of Pediatrics, Boston University School of Medicine, Boston, Massachusetts
- 1977-79 Assistant Professor, Department of Health Services, Harvard School of Public Health, Boston, Massachusetts
- 1975-76 Instructor, Department of Pediatrics, Upstate Medical Center, Syracuse, NY

## **Professional Experience**

- 2014- Co-PI, Smoking Cessation Research Institute, NYU/Abu Dhabi Public Health Research Institute
- 2014- Academic Steering Committee, Global Institute of Public Health, New York University
- 2013- Faculty member, New York University Center on Bioethics
- 2011- New York University School of Medicine Admissions Committee, Screening Subcommittee
- 2005-2007 Chairman, Department of Pediatrics, New York University School of Medicine
- 1999-2005 Executive Director, American Academy of Pediatrics' Center for Child Health Research
- 1992-94 Director of Primary Care Pediatric Training Program, University of Rochester School of Medicine and Dentistry
- 1990-2006 Associate Chairman for Community Affairs Department of Pediatrics, University of Rochester School of Medicine and Dentistry
- 1990-99 Director of the Division of General Pediatrics, Department of Pediatrics, University of Rochester School of Medicine and Dentistry
- 1990-99 Pediatrician-In-Chief, Rochester General Hospital
- 1990-99 Director of Fellowship Program in General Academic Pediatrics, University of Rochester School of Medicine and Dentistry
- 1989-90 Director of the Division of General Pediatrics, Boston City Hospital and Boston

## *Curriculum Vitae*

**Michael Weitzman, M.D.**

**Page 4**

- University School of Medicine, Boston, MA
- 1988-90 Director of Fellowship Program in General Academic Pediatrics, Boston University School of Medicine
- 1985-89 Director, Maternal and Child Health Services, Department of Health and Hospitals of the City of Boston
- 1985-90 MPH Level Courses Taught at the Boston University School of Public Health: *Maternal and Child Health in the United States*; and *Childhood Chronic Illness and Disability*
- 1984-90 Associate Visiting Physician, Boston City Hospital
- 1979-84 Assistant Visiting Physician, Boston City Hospital
- 1977-85 Staff Physician, Fernald State School, Waltham, Massachusetts
- 1976-80 Assistant in Medicine, Division of Ambulatory Services, Boston Children's Hospital Medical Center, Boston, Massachusetts
- 1973-74 Physician in Charge of the Lead Poisoning Screening and Treatment Program, Upstate Medical Center, Syracuse, New York
- 1972-74 Medical Director, 1012 Free Clinic, Syracuse, New York
- 1971-72 Physician, Onondaga County Jail, Syracuse, New York
- 1969 Summer Participant, SAMA Appalachia Program, North Carolina
- 1968 Summer Extern in Child Psychiatry and Mental Retardation, Fairview State Hospital, Costa Mesa, California

### **Consultation to Federal Government and Advisory Committees**

- 2017- 2022 Food and Drug Administration Tobacco Product Scientific Advisory Committee
- 2010- 2014 Environmental Protection Agency Scientific Advisory Committee Lead Review Panel, Clean Air Scientific Advisory Committee for the Integrated Scientific Assessment for Lead
- 2009- 2012 Member, U.S. Senator Kirsten Gillibrand's Child Health Advisory Group
- 2005-2007 Member, Maternal and Child Health Bureau National Survey of Children's Health Data Advisory Committee
- 2004-2005 Member, Institute of Medicine Committee on Ethical Issues in Housing-Related Health Hazard Research Involving Children, Youth, and Families
- 2004-2010 Ad Hoc Reviewer –National Institutes of Health, NICHD
- 2002-2006 Chair, Centers for Disease Control Advisory Committee on Childhood Lead Poisoning Working Group of Effects of Blood Lead Levels Less than 10 ug/dl
- 2000-2006 Expert Witness Testimony on behalf of the Department of Justice in United States vs. Phillip Morris, Inc. et al, Civil No. 99-2496 (D.D.C.)
- 2000-2001 Environmental Protection Agency Children's Health Protection Advisory Committee
- 1997-2002 Centers for Disease Control Advisory Committee on Childhood Lead Poisoning Prevention
- 1992-95 Health Resources and Services Administration (HRSA) Faculty Development

## *Curriculum Vitae*

Michael Weitzman, M.D.

Page 5

- Review Committee
- 1990-91 Centers for Disease Control Advisory Committee on the Prevention of Childhood Disability

### **International Experiences**

- 2004- Keynote Speaker at the 14<sup>th</sup> Annual Meeting of the Japanese Ambulatory Pediatrics Association, Oita, Japan
- 2008- Co-investigator on studies on prenatal and secondhand smoke exposure with faculty from Comenius Universtiy, Bratislava, Slovakia
- 2007- 2009 Co-investigator on studies of asymptomatic intestinal parasitic infections, nutritional and anemia status among children in Iquitos, Peru
- 2009- 2011 Consultant to the Peruvian Ministry of Health regarding lead exposure among individuals living in Indigenous communities in the Peruvian Amazon
- 2010 Visiting Professorship at King Abdullaziz Medical Center, Riyadh, Saudi Arabia
- 2012- Co-investigator on smoking cessation research in Abu Dhabi, United Arab Emirates
- 2016 Co-investigator of student perceptions of tobacco use, Koc University, Istanbul, Turkey
- 2017 Co-investigator of investigation of services for Refugee Children, Milan, Italy
- 2017 Congressman Mervyn Dymally Delegation, Child and Family Public Health Planning and Policy in Cuba

### **Memberships in National and International Organizations**

- 2007- The Society for Equity in Child Health
- 2003-2007 Docs for Tots, National Advisory Board
- 1997-2006 Robert Wood Johnson Generalist Physician Faculty Scholars Program, National Advisory Committee
- 1996-97 Accreditation Council for Graduate Medical Education, Appeals Panel for Pediatrics
- 1996-99 Children's Environmental Network
- 1992-95 The Institute for Family Centered Care, National Advisory Board
- 1991- The American Pediatric Society
- 1991- Society for Pediatric Epidemiologic Research
- 1990-92 Media Resource Services, Scientists' Institute for Public Information
- 1989- The Society for Pediatric Research
- 1989-2005 Association for the Care of Children's Health  
1991-1992 Annual Conference Advisory Committee
- 1988-90 Association of Teachers of Maternal and Child Health
- 1981-94 Research Consortium on Chronic Illness in Childhood

## *Curriculum Vitae*

**Michael Weitzman, M.D.**

**Page 6**

1978- American Public Health Association

1978- Fellow, American Academy of Pediatrics

### **National:**

1999-2005 Executive Director, The American Academy of Pediatrics Center for Child Health Research

1992-98 Committee on Community Health Services

1993-95 Advisory Committee, Pediatric Education in the Community Setting (PECS) Project

1994-98 Chair of the Committee on Community Health Services

1994-98 Selection Committee for the AAP Partnerships for Children and CATCH Program Visiting Professorship in Community Pediatrics

1994-98 Member, Council on Pediatric Practice

1994- Section on Community and International Child Health

1998-2000 Nominating Committee, Section on Community and International Child Health

### **State:**

1991-2000 Executive Board, New York Chapter I, District II

1991-1995 Lead Task Force, District II

1988-91 Massachusetts Chapter, Committee on the Child with Developmental Disabilities

1988-90 Massachusetts Chapter, Media Spokesperson & Chair, Public Relations Committee

1976- Ambulatory Pediatric Association (The Academic Pediatric Association)

1987-89 Chair, Chronic Illness Special Interest Group

2017- Society for Research in Nicotine and Tobacco

2017- International Network for Research on Inequalities in Child Health

### **Memberships in State and Local Organizations**

2009- The New York State Coalition to End Childhood Lead Poisoning

2006- The New York Academy of Medicine

1996-98 Board of Directors, Rochester General Physicians' Organization

1996-98 Board of Directors, Community Pediatric After-Hours Telephone Triage System

1993-96 New York State Advisory Council on Lead Poisoning Prevention

1993-98 Chair, Subcommittee on the Identification and Management of Children with Lead Poisoning

1992-96 Child Health Council, Monroe County, New York

1991-96 Lead Advisory Group, Monroe County Department of Health

## *Curriculum Vitae*

**Michael Weitzman, M.D.**

**Page 7**

- 1991-98 Rochester IPA Pediatric Advisory Committee
- 1991-2002 Monroe County Medical Society
- 1990-2005 Rochester Pediatric Society
- 1988-90 Early Life Working Group, Harvard University
- 1985-89 Advisory Council, Division of Family Health Services, Massachusetts Department of Public Health
- 1974-76 Member of Advisory Board, Center on Human Policy, Syracuse, New York

### **Educational Contribution-Mentor for the following Mentees**

#### **Postdoctoral Fellows in Federally Supported Fellowship Training Programs**

- James Sargent, MD (1988-89) Professor of Pediatrics, Dartmouth Medical Center
- Cynthia Howard, MD (1991-1993) Associate Professor of Pediatrics, University of Rochester
- Robert Byrd, MD (1991-1994) Associate Professor General Pediatrics, UC Davis Medical Center
- Bruce Lanphear, MD (1992-1994) Professor of Pediatrics, Cincinnati Children's Medical Center
- Christopher Rossbach, MD (1992-1994) Private practice, Falls Church, VA; Clinical Instructor, Fairfax Women & Children's Hospital
- Carolyn Dukarm, MD (1994-1996) Clinical Faculty, Buffalo Children's Hospital
- Michelle Jones, MD (1995-1996) Clinical Associate Professor, Northwestern Medical School
- C. Andrew Aligne, MD (1995-1998) President, Pediathink
- Jeffrey Kaczorowski, MD (1995-1998) Associate Professor of Pediatrics, University of Rochester
- Nienke Dosa, MD (1999-2002) Associate Professor, SUNY Upstate Medical University
- Karen Nead, MD (2000-2002) Assistant Professor, Yale University
- Shalini Forbis, MD (2000-2002) Assistant Professor, Wright State University
- Susanne Tanski, MD (2001-2003) Assistant Professor, Dartmouth Medical School
- Jane Brotanek, MD (2001-2004) Assistant Professor, Medical College of Wisconsin
- Cook, Stephen, MD (2001-2004) Assistant Professor of Pediatrics, University of Rochester
- Cynthia Rand, MD (2002-2005) Assistant Professor of Pediatrics, University of Rochester
- Daniel Yawman, MD (2002-2005) Clinical Instructor and Researcher, Rochester General Hospital
- Carolyn Tabak, MD (2003-2004) Epidemic Intelligence Officer, Center for Disease Control
- Danielle Thomas Taylor, MD (2003-2005) Sr. Instructor, University of Rochester
- Heidi Smith, MD (2004-2006) Sr. Instructor, University of Rochester
- Alison Holmes, MD (2004-2006) Assistant Professor, Concord Hospital and Dartmouth Medical School
- Richard Stahult (2005-2006) Fellow in Community and Preventive Medicine, the University of

Rochester School of Medicine

Ted Sigrest, MD (2005 -2006 ) Sr. Instructor and Fellow, University of Rochester

**Post-Doctoral Students in no formal Fellowship Program**

Cynthia Cutler, MD (2006-2007), had completed residency in Pediatrics at NYUMC and spent a year doing research before starting as a Fellow in Community and Preventive Medicine, New York University School of Medicine

Betsy Schneider Pool De Salvo (2007-2008), had completed residency in Pediatrics at NYUMC and spent the year doing research under my guidance

**Post-Doctoral Fellows Mentored in The Robert Wood Johnson Foundation Academic Generalist Faculty Scholars Program**

Benjamin Levi, MD, PhD (2004 - 2007) Associate Professor, Penn State College of Medicine

Simon Hambidge, MD (2004-2007) Assistant Professor, University of Colorado Health Sciences

Robert Kahn (2003-2006) Assistant Professor of Pediatrics, University of Cincinnati School of Medicine

Matthew Davis, MD (2003-2006) Assistant Professor, University of Michigan Medical School

Shari Barkin, MD (2001-2004) Associate Professor, Wake Forest University

Richard Shiffman (2000-2003) Associate Professor of Pediatrics, Yale University School of Medicine

Dmitri Christakis (1999-2003) Associate Professor of Pediatrics, University of Washington

Jeffrey Brosco (1998-2002 ) Associate Professor of Pediatrics, University of Miami

**Medical Students, Graduate Students and Undergraduate Mentees**

Michael Nguyen, MD (2002-2003) University of Rochester School of Medicine Year Out Research Student, Resident, Washington University, St. Louis MO

Megan Kavanaugh, MD (2003-2004) University of Rochester School of Medicine Year Out Research Student, currently resident, University of California at Irvine

Todd Florin, MD (2004-2005) University of Rochester School of Medicine Year Out Research Student, currently chief resident, Children's Hospital of Philadelphia

Sarah Bagley, MD (2003-2004) currently medical student, George Washington University; currently resident in Pediatrics at Montefiore Medical Center

Varun Chowdhry, BS (Summer 2005), currently medical student, SUNY Upstate

Sonia Trim (Summer 2005) undergraduate, Delaware State University; currently, medical student, Downstate Medical Center

Melissa Marteneynko (2007) Wagner School of Public Policy MPH student

Sarah Taylor (2007) NYU medical student; currently a resident in Pediatrics at Montefiore Medical Center

Melissa Herman, NYU (2008) medical student

Ben Keveson (2008) NYU medical student

Corrina Wood (2008) NYU medical student

Alex Chan (2008) NYU medical student

Lily Lee (2014-)- Macaulay Honors College at Brooklyn College, BA/MD Program

Sumit Kumar (2014-) NYU medical student and Wagner School MPA student

Jenni Shearston (2015-) NYU MPH student

Charles Oshinsky (2015-2016) NYU medical student

Deborah Ort (2016-2017) NYU medical student

Katie Tseng (2016-) NYU MPH student

### **Editorial Responsibilities**

**Editorial Board**, *The Journal of Developmental and Behavioral Pediatrics*

**Associate Editor**, *Healthcare Learning: Smile On*

**Reviewer** for *Ambulatory Child Health, The American Journal of Preventive Medicine, The American Journal of Public Health, Clinical Pediatrics, Controlled Clinical Trials, Journal of the American Medical Association, The Journal of Developmental and Behavioral Pediatrics, The Journal of Pediatric Psychology, Pediatrics, and Pediatrics in Review*

Contributing Editor for *International Pediatrics*

### **Grant Support: Research**

1. NIH/NIEHS 1R21ES026996-01A1 (Weitzman M PI) 4/1/2017-3/31/2017) \$275,000  
Air Quality, Child, and Adult Health in Homes where Hookahs are Smoked  
Role: Principal Investigator 10% effort
2. NIH/NCI 3 P30 CA016087-33S1 (Gordon T PI) 1/1/2014-3/31/2017 \$475,000  
Alternative tobacco products: Use, adverse effects, and communication pattern  
Role: Co-Investigator 5% Effort
3. NYU, College of Global Public Health Affinity Grant Program (Weitzman M PI) 3/2015-

*Curriculum Vitae*

Michael Weitzman, M.D.

Page 11

- 12/2017 \$20,000  
Dental and Periodontal Disease in Individuals Actively and Passively Exposed to Hookah  
Smoke  
Role: PI 10% Effort
4. NIH/NIEHS 5 P30 ES000260-49 (Costa M) 10/13-9/14  
Adverse Effects of Mainstream and Side-Stream Hookah Smoke in NYC Hookah  
Bars 11/13-10/14 \$12,000  
Role: PI 10% Effort
5. New York University Abu Dhabi Public Health Institute (Sherman, S PI) 2012-2017  
\$2,000,000  
United Arab Emirate Tobacco Control Program  
Role: Co-Director 20% effort
6. HUD Grant # ILLHT0169-10 (Jacobs, D, PI) 3/30/11-3/30/15, Healthy Homes  
Technical Study: Comprehensive Lead Education, Reduction, and Window Replacement  
(The CLEAR WIN Study) \$500,000  
Role: Co-Investigator 5% effort
7. SAMHSA 5U79SM059939-02 (Goldhagen, J, PI) 9/30/11-9/29/16 \$1,500,000  
Fostering Systems of Care Initiative (SOCi) Role: Co-Investigator 10% Effort
8. 1RCES018558-01 Preventing Child Lead Exposure By Window Replacement (Weitzman,  
M PI) 09/30/2009-07/31/2011 25% effort \$1 million
9. R-01 H1089493-01 (Bruzzese, JM, PI) 07/1/2008-6/20/2013  
\$472,773 Role: Co-Investigator 5% Effort  
NAID School Based Intervention for Children with Undiagnosed Asthma
10. 1U48DP001904-01 (Elbel, B, PI) 09/9/10-09/8/13 5% Effort  
Centers for Disease Control \$105,000  
NYU Health Promotion and Prevention Research Center (PRC), Nutrition and Obesity  
Policy Center  
Role: Co-Investigator 5% Effort
11. Children's Oral Health: Analyses of Large National Datasets Regarding the Etiology of  
Early Childhood Caries and the Use of Oral Health Services, Principal Investigator,  
Maternal and Child Health Bureau Task Order 18 with Health Systems Research, Inc,  
Principal Investigator, 3/105-8/30/06, \$27,000
12. Children Are Different Project publication, PI, Environmental Protection Agency, 1/1/04-  
11/30/04, \$31,735
13. Parent Education to Child Health: Longitudinal Pathways, Co-Investigator, NICHD  
through Child Trends, 9/30/03 – 7/31/07, \$1,157,417
14. Second Hand Smoke and Pediatrics, Co-Investigator, Environmental Protection Agency,  
10/01/03 – 9/30/06, \$900,000
15. Pediatricians' Tobacco Cessation Attitudes & Practices. Periodic Survey of AAP, Co-  
Investigator, Agency for Healthcare Research and Quality, 8/21/03-7/31/05, \$100,000
16. Improving Health Services to Prevent Obesity in Children: Phase I, Co- Investigator,  
Robert Wood Johnson Foundation, 12/01/03 – 11/30/04, \$63,500
17. Mississippi Building Research Infrastructure and Capacity Project: Phase II, Co-  
Investigator, Agency for Healthcare Research and Quality, 10/1/03 – 9/30/06, \$570,000
18. Children Are Different Project, PI, Environmental Protection Agency, 8/1/00-11/30/04,

  25. Enhancing the Capacity of Pediatric Research in Office Settings, Co-Investigator, Agency for Healthcare Research and Quality, 9/30/00-9/29/01, \$89,965
  26. Center for Child Health Research, PI, American Academy of Pediatrics, 7/1/99-6/30/04, \$2,500,000
  27. Effect on Breastfeeding of Pacifiers and Bottle Feeding, Co-PI, Federal Bureau of Maternal and Child Health Bureau, 10/1/96-9/30/99, \$446,605
  28. Neurobehavioral Effect of Low-Level Lead Exposure in Children, Co-PI, National Institute for Environmental Health Sciences, 12/1/98-11/30/01, \$2,248,810
  29. Task Force on Environmental Toxins As A Cause of Developmental Disabilities, P.I., New York State Developmental Disabilities Planning Council, 10/1/95-9/30/96, \$60,000
  30. The Primary Prevention of Lead Exposure Using Dust Control Measures, Co-PI, The Centers for Disease Control, 10/1/94-9/30/97, \$1,086,757
  31. Antenatal Formula Distribution: Effect on Breastfeeding, Co-PI, Bureau of Maternal and Child Health, 10/1/94-1/31/97, total costs \$246,092
  32. Evaluation of the New York State Child Health Plus Program, Co-Investigator, New York State Department of Health, 9/1/94-10/31/95, total costs, \$500,000
  33. The Monroe County Child Health Initiative, Co-PI, The Robert Wood Johnson Foundation, 7/1/93-6/30/96, total costs, \$498,601
  34. Child Health in Monroe County: Rapid Analyses and Mapping of Local Health Data, Co-Investigator, Kidd Grant Fund, 3/1/94-12/31/94, total costs, \$7,700
  35. Lead Screening Practices among Pediatricians in the United States, Co-Investigator, Centers for Disease Control, 7/1/93-6/30/94, total costs, \$10,000
  36. The Relation of Lead-Dust and Blood Lead Levels Among Urban Children, Co-P.I., National Center for Lead-Safe Housing, 6/1/93-10/31/94, total costs, \$1,108,136
  37. Antenatal Formula Distribution to Pregnant Women: The Effect on Breastfeeding, Co-PI, The Kidd Fund, Rochester General Hospital, 5/1/93-4/30/94, total costs, \$5,395
  38. The Science of Childhood Potential: Strategic Planning, Co-Investigator, The PEW Charitable Trusts, 3/1/93-4/30/94, total costs, \$109,000
  39. Evaluating the Impact of the Child Health Plus Program on Uninsured Children, Co-Investigator, David and Lucille Packard Foundation, 12/92-6/95, total costs, \$212,234

40. Identifying Pathways to Comprehensive Services for High-Risk Youth in Monroe County, New York, P.I., William T. Grant Foundation, 5/1/92-10/31/94, total costs, \$150,000
41. Boston Lead-In-Soil/Lead Free Kids Project, P.I., Environmental Protection Agency, 5/87-1/94, total costs, \$5,400,000
42. Psychosocial Adjustment of Children with Chronic Illness: Analyses of the 1988 National Health Interview Survey, Co-P.I., William T. Grant Foundation, 7/1/90-6/30/93, total costs, \$98,731
43. Research Consortium on Childhood Chronic Illness, Co-P.I., William T. Grant Foundation, 9/1/92-12/31/94, total costs, \$15,000 per year
44. Evaluation of the Child Health Plus Insurance Plan, Co-Investigator, The Monroe Plan of Rochester, NY; Daisy Marquis Jones Foundation; and Primary Care Council of Greater Rochester, 1/1/92-6/30/93, total costs, \$97,500
45. Uninsured Children: Lessons from the 1981 and 1988 National Health Interview Survey - Child Health Supplements, P.I., The Strong Children's Research Center, 4/1/92-4/1/93, total costs, \$3,700
46. Missed Opportunities for Lead Screening, Co-P.I., Kidd Fund, Rochester General Hospital, 5/1/92-2/31/92, total costs, \$1,500
47. Case-by-Case: Boston's Infant Mortality Review Project, P.I., Federal Bureau of Maternal & Child Health, 10/1/89-9/30/91, total costs, \$149,952
48. Prior Approval and Emergency Room Utilization, P.I., The Noonan Memorial Fund, Bank of New England, 9/1/88-6/30/90, total costs, \$37,000
49. Barriers to Bicycle Helmet Use by Children, Co-P.I., BRSG - Boston University School of Public Health, 3/1/88-9/30/88, total costs, \$10,000
50. The CityMatCH Project, Co-P.I., Association of Maternal and Child Health Programs, 9/1/88-12/31/89, total costs, \$15,000
51. An Evaluation of the Massachusetts School Breakfast Program, Co-P.I., The William T. Grant Foundation, 6/1/87-11/30/88, total costs, \$44,422
52. The Use of a Home Health Psychoeducator to Reduce the Functional Impact of Childhood Asthma, P.I., The Noonan Memorial Fund, Bank of New England, 1985-1986, total costs, \$49,267
53. The Relationship of Self-Esteem and Family Coping in Families with Sickle Cell Anemia, Co-P.I., The William T. Grant Foundation, 1985-1986, total costs, \$5,000
54. The Adolescent School Health Program: An Intervention Program to Decrease Excessive School Absence, Co-P.I., The Robert Wood Johnson Foundation, 6/1/80-5/31/85, total costs, \$1,400,000

### **Grant Support: Training**

1. Faculty Development in General Internal Medicine and General Pediatrics at the University of Rochester School of Medicine and Dentistry, Program Director, Bureau of Health Professions, Health Resources and Services Administration, 7/01/03-6/30/06, total costs, \$873,127
2. Institutional NRSA General Pediatrics Research Fellowship Training Program at the University of Rochester School of Medicine and Dentistry, Program Director, Bureau of Health Professions, Health Resources and Services Administration, 7/01/03-6/30/08, total

## *Curriculum Vitae*

- costs, \$874,396
3. Rochester Center of Excellence for Maternal and Child Health Leadership and Advocacy Training Program, Program Director, Federal Maternal and Child Health Bureau (MCHB), 10/1/98-9/30/2002, total costs, \$300,000
  4. Institutional NRSA General Pediatrics Research Fellowship Training Program at the University of Rochester School of Medicine and Dentistry, Program Director, Bureau of Health Professions, Health Resources and Services Administration, 7/1/98-6/30/01, total costs, \$350,000 (extended to 6/03)
  5. Faculty Development in General Internal Medicine and General Pediatrics at the University of Rochester School of Medicine and Dentistry, Program Director, Bureau of Health Professions, Health Resources and Services Administration, 7/1/96-6/30/99, total costs, \$451,040 (extended to 6/02)
  6. Institutional NRSA General Pediatric Research Fellowship Training Program at the University of Rochester School of Medicine and Dentistry, Program Director, Bureau of Health Professions, Health Resources and Services Administration, 7/1/93-6/30/98, total costs, \$540,299
  7. Faculty Development in General Internal Medicine and General Pediatrics at the University of Rochester School of Medicine and Dentistry, Program Director, Bureau of Health Professions, Health Resources and Services Administration, 7/1/93-6/30/96, total costs, \$499,006
  8. General Pediatric Primary Care Residency Training Program at the University of Rochester School of Medicine and Dentistry, Program Director, Bureau of Health Professions, Health Resources and Services Administration, 7/1/90-6/30/95, total costs, \$510,487
  9. Grant for Faculty Development in General Pediatrics at Boston University School of Medicine, Co-P.I., Bureau of Health Professions, Health Resources & Services Administration, 7/1/87-6/30/90, total costs, \$360,633
  10. Training Program for Lead Paint Inspectors and Deleaders, Co-P.I., Cox Foundation, 9/1/89-8/31/90, total costs, \$37,500
  11. Training Program for Lead Paint Inspectors and Deleaders, Co-P.I., Bank of Boston, 9/1/89-8/31/90, total costs, \$7,500

### **Grant Support: Service**

1. Child Health Atlas Project, Co Investigator, the Bower Foundation and the Phil Harden Foundation, \$635,000
2. The Northeast Rochester Youth and Family Wellness Project, Co-Investigator, Federal Bureau of Maternal and Child Health Healthy Tomorrows Project, 9/01/98-8/31/03, total costs, \$250,000
3. Finger Lakes Regional Lead Poisoning Prevention Resource Center, Co-Investigator, New York State Department of Health, 11/15/93, total costs, \$50,000 per year

*Curriculum Vitae*

4. Lead Prevention and Treatment Center, P.I., The Rochester General Hospital Association, Inc., 1/1/93-12/31/94, total costs, \$180,000
5. The Healthy Child Program: A Home Visitation Program for Environmentally at Risk Children, P.I., The Boston Foundation, 7/1/87-6/30/92, total costs, \$750,000
6. Poverty Impact Planning Grant, P.I., The Boston Foundation, 1/1/87-6/30/87, total costs, \$12,386
7. A City Wide Injury Prevention Program, P.I., Massachusetts Department of Public Health, 4/1/86-6/30/87, total costs, \$34,900

**Grant Support: For the Rochester Child Health Congress, October 1999**

The Robert Wood Johnson Foundation	\$50,000
The W. T. Grant foundation	\$10,000
The Foundation for Child Development	\$10,000

**Grant Support: For the Center for Child Health Research Tobacco Conference, April 2005**

Robert Wood Johnson Foundation	\$50,000
FAMRI	\$20,000
NIEHS	\$12,000

### **Undergraduate Course**

2010 and 2011 ***ABOUT CHILDREN: THE SOCIAL AND ENVIRONMENTAL DETERMINANTS OF CHILDREN'S HEALTH IN THE USA***

This is a freshman honor's course, i.e. a course that only freshman admitted to New York University as undergraduate honor students are eligible to take. It is a new course, never before taught at NYU, and it has been approved to be taught this fall.

### **Graduate Course**

2012 ***Children's Environmental Health***

2014 ***Children's Environmental Health***

2015 ***Children's Environmental Health***

This is a graduate level course for individuals obtaining master or PhD degrees in Environmental Health or Public Health on the unique vulnerabilities and resiliencies across childhood to

*Curriculum Vitae*

Michael Weitzman, M.D.

Page 60

environmental exposures.

**2016 Global Environmental Health**

This is a graduate level course for individuals obtaining master or PhD degrees in Environmental Health or Public Health offering a global perspective on environmental issues affecting the health of individuals of all ages.

**2015 and 2016 *Drug Use as a Public Health Problem***

This is a graduate level course for individuals obtaining a Master's Degree in Public Health concerning the history, policies toward, and personal and social effects of the use of psychoactive drugs.
