

Biological Product and HCT/P Deviation Reports  
Annual Summary for Fiscal Year 2016

**List of Tables**

**Table 1** – Total Deviation Reports – FY16

**Table 2** – Total Deviation Reports – FY14-FY16

**Table 3** – Blood and Source Plasma BPD Reports by Manufacturing System – FY14-FY16

**Table 4** – Blood and Source Plasma BPD Reports by Manufacturing System, By Establishment Type – FY14-FY16

**Table 5** – Licensed Non-Blood Deviation Reports by Manufacturing System, By Establishment Type – FY14-FY16

**Table 6** – 361 HCT/P Deviation Reports by Manufacturing System, By Establishment Type – FY14-FY16

**Table 7** – Total BPDRs by Manufacturing System – Blood and Source Plasma Establishments – FY16

**Table 8** – PDI Reports Submitted by Blood and Source Plasma Establishments

**Table 9** – Viral Marker Lookback Reports Submitted by Blood and Source Plasma Establishments

**Table 10** – Most Frequent BPD Reports – Post Donation Information From Licensed Blood Establishments

**Table 11** – Most Frequent BPD Reports – Donor Screening From Licensed Blood Establishments

**Table 12** – Most Frequent BPD Reports – Miscellaneous From Licensed Blood Establishments

**Table 13** – Most Frequent BPD Reports – Quality Control and Distribution From Licensed Blood Establishments

**Table 14** – Most Frequent BPD Reports – Blood Collection From Licensed Blood Establishments

**Table 15** – Most Frequent BPD Reports – Quality Control and Distribution From Unlicensed Registered Blood Establishments

**Table 16** – Most Frequent BPD Reports – Labeling From Unlicensed Registered Blood Establishments

**Table 17** – Most Frequent BPD Reports – Post Donation Information From Unlicensed Registered Blood Establishments

**Table 18** – Most Frequent BPD Reports – Routine Testing From Unlicensed Registered Blood Establishments

**Table 19** – Most Frequent BPD Reports – Quality Control and Distribution From Transfusion Services

**Table 20** – Most Frequent BPD Reports – Labeling From Transfusion Services

**Table 21** – Most Frequent BPD Reports – Routine Testing From Transfusion Services

**Table 22** – Most Frequent BPD Reports – Post Donation Information From Source Plasma Establishments

**Table 23** – Most Frequent BPD Reports – Miscellaneous From Source Plasma Establishments

Attachment 7 – List of Tables in Biological Product and HCT/P Deviation Reports – Annual Summary FY16

**Table 24** – Most Frequent BPD Reports – Quality Control and Distribution From Source Plasma Establishments

**Table 25** – Most Frequent BPD Reports – Donor Screening From Source Plasma Establishments

**Table 26** – Total BPD Reports by Manufacturing System – Licensed Non-Blood Establishments – FY16

**Table 27** – Total Reports by Manufacturing System – 361 HCT/P Establishments – FY16
