Dear Leigh,

Thank you very much for your quick response. Yes, I think April 17 at 10 am works for the T-con.

Best,
Cindy

Cindy,
Would Wednesday, 17-Apr-13, at 10 am be feasible?
Thanks,
Leigh

Dear Leigh,
Thank you very much for your effort in scheduling this now. Since many of our T-con attendees will be in Denmark where the time zone is 6 hrs earlier than EST, I wonder if it is possible to have a slot in the morning in the week of April 15? I know it is not easy for you to get all FDA attendees at the same time slot---just ask as a possibility.
Many thanks,
Cindy

Cindy,

As time tends to get away from us, I thought now might be a good time to schedule the mid-cycle telecon with you. I am tentatively looking at Tuesday, April 16, 2013 from 1:30-2:30 pm. Would you please check this date for Novo Nordisk's availability?

Thank you,
