

July 26, 2017, Joint Meeting of the Anesthetic and Analgesic Drug Products Advisory Committee (AADPAC) and the Drug Safety and Risk Management Advisory Committee (DSaRM) - Webcast Information

The Center for Drug Evaluation and Research (CDER) plans to provide a free of charge, live webcast of the July 26, 2017, joint meeting of the Anesthetic and Analgesic Drug Products Advisory Committee and the Drug Safety and Risk Management Advisory Committee. Please note that the webcast will not display until the meeting begins at approximately 9:15 a.m. EST on July 26, 2017. While CDER is working to make webcasts available to the public for all advisory committee meetings held at the White Oak campus, there are instances where the webcast transmission is not successful; staff will work to re-establish the transmission as soon as possible. CDER plans to post an archived webcast after the meeting, however, in cases where transmission was not successful, archived webcasts will not be available.

Webcasts of advisory committee meetings provided by CDER have limited capacity. Once capacity of the webcast is reached, no additional individuals will have access to the webcast unless others have exited the webcast. If an individual signs off from the webcast, CDER cannot guarantee that this person will be able to sign back on if capacity has been reached.

The meeting webcast can be accessed at the following web address:
