Subject: RE: STN 125389/0 Filing Meeting

Hi,

I do not have any statistical issue in filing the BLA submission (STN 125389/0) from the Biotest Pharmaceutical Corporation (BPC).

I was able to open selected data sets (Demographic and Adverse event data sets) for the initial assessment.

Thanks,

Jessica

Please indicate whether you have any deficiencies. I will set the date for PMC T-28 day just in case if we need it.

If you all don't have any issues to discuss we may just satisfy this meeting via email.

Michael, Please let me know.
